now you can read and understand the koran a powerful method of ordering sorting and categorizing the koran makes it easy to read when mohammed s life is woven back into the koran meaning is restored the abridged koran is a powerful epic story the koran is very repetitive for instance the story of moses and pharaoh is told more than thirty times an abridged koran is abridged by removing the repetition you learn the full meaning since only repeated material is removed islam is a political system a culture and a religion based upon the koran sira life of mohammed and hadith the traditions the islamic trilogy series integrates the three primary sources to give the entire islamic political doctrine the treatment of non muslims the trilogy is authoritative and fact based all statements can be confirmed by the use of reference numbers the knowledge is integrated all of the primary sources are used to give the complete picture of islam s political doctrine

the attacks on 9 11 were part of a 1 400 year islamic jihad against the non islamic world since 9 11 there have been over 10 000 additional violent jihads in addition there have been thousands of soft jihads where muslims have attempted to replace western culture with that of islam the jihadists are motivated by the core principles of islam with the goal of converting killing or subjugating all non muslims unfortunately too many non muslims have reverted to a pre 9 11 mentality and do not see the necessity of an offensive war in iraq or afghanistan or of a defensive war at home non muslims are going to have to decide to fight for their cultures freedoms and values or they are going to lose them dr crandall has been teaching sociology at the college and university level for over 30 years the focus of some of his other books have been in the area of gerontology the physiological and psychological consequences of running and inuit art the attacks on 9 11 changed the focus of his research and he has spent the last seven years researching and writing this book

according to the gospel of john jesus christ celebrated the festival of hanukkah john 10 22 hanukkah celebrates the heroic exploits of judas maccabeus and his battle for religious freedom these events occurred during the four hundred silent years between the old and new testaments the seleucid greeks that ruled over the jewish people made observing judaism a capital offense and ordered all copies of the bible to be collected and burned in the year 167 before christ judas maccabaeus led the jewish people into battle to preserve the holy bible and to establish religious liberty judas was called maccabeus which means the hammer in aramaic centuries later in the year 732 a d charles martel known as charles the hammer fought to defend the religious liberties of the christians and jews in europe when an army of

islamic terrorists threatened to eradicate christianity in france in the hammer of god learn about the history of the battle for religious freedom a battle that continues today reverend stephen andrew missick is the author the words of jesus in the original aramaic discovering the semitic roots of christianity and christ the man he is an ordained minister of the gospel he graduated from sam houston state university and southwestern baptist theological seminary rev missick has traveled extensively throughout the middle east and has lived among the coptic christians in egypt and aramaic christians in syria he served as a soldier in operation iraqi freedom in 2003 and 2004 and as a chaplain in the army national guard in baghdad in 2009 and 2010 while serving as a soldier in iraq he learned aramaic from native aramaic speaking assyrian christians rev missick is the writer and illustrator of the comic book series the hammer of god which dramatizes the story of judah maccabeus and charles martel

the middle east can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle professor steven carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the middle east demographics of the region the influence of islam political processes shifting alliances war in the region and the need for security he also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region his goal to clarify the confusing nature of middle east affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region in a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity seventy eight maps and numerous tables make understanding complex topics easier whether you re a student educator bureaucrat or politician you ll find insights based on facts in understanding the volatile and dangerous middle east

the koran is culturally important prophetic literature and is the foundation for the islamic faith it also forms the basis of the way of life in all muslim societies title provides a rendition of the holy koran in english for readers who would like to inform themselves about what the koran says it is a face value abridged translation that maintains the original feel of the koran in a version that is approximately a tenth of the size

christianity has over two billion adherents worldwide and islam has over one and a half billion adherents making them the two largest religions in the world numbering in total over half of the world s population it is generally assumed and taught that because these two religions are both monotheistic teaching that there is only one supreme god that they basically are compatible believing the same things about that one god the purpose of this study is to compare and contrast the teachings of both christianity and islam as found in their respective scriptures the bible and the quran and sunna to see exactly what they do teach and if in fact their teachings are compatible

in a post 9 11 world an ultra secret team of military specialists fights back in four novels from the bestselling author of the wingman series assembled by a mysterious superspy and operating without the political or bureaucratic oversight that can hamstring even the bravest fighting forces the superhawks are america s ruthless answer to 9 11 an ultra elite force operating on the edges they are the world s best sharpshooters spies demolition men pilots brawlers and soldiers and they all have a personal motive for revenge in strike force alpha the superhawks mission is to kill osama bin laden hidden aboard the ocean voyager this elite unit of assault troops carries out brazen daring raids all over the persian gulf as it seeks its number one target al qaeda s master mission planner strike force bravo begins with the superhawks taking on a terrorist cell that s captured singapore s tonka tower hotel but al qaeda is hatching a new plot involving stinger missiles can the superhawks stop it in time or will the american military bureaucracy trip itself up before they even have a chance in strike force charlie dozens of al qaeda terrorists preparing to unleash attacks from the heart of america sneak into the united states under paper thin disguises the superhawks team up with a group of civilians to protect the country save thousands of lives and purge the government of high level traitors and in strike force delta a supersquad from america s premier special ops unit delta force comes under attack in west africa though they take out over fifty terrorists the secret delta thunder team is captured it s up to the superhawks to invade the radicals fortress save the unit s men and flatline the crown prince of terrorism before he can execute the hostages on live tv

what does the koran really teach about the issues of our day about society the place of women injustice violence other religions freedom of conscience freedom of beliefs and speech homosexuality punishment hell heaven and its scientific assertions does it have anything to say about terrorism holy war jihad beheading vengeance peace in the world hatred of jews christians other religionists and secularists or unbelievers in any religion what bearing does its teachings have upon the current ongoing middle east conflicts is islam actually a religion of peace as we are being told by the media and politicians convinced many if not most citizens will simply not study the whole koran for themselves the author provides here a representative sampling a topical selection of its teaching based on authoritative sources and in modern english a must read for every english speaking concerned citizen whether christian jewish buddhist hindu muslim atheist agnostic native religionists pagan or secularist highly readable succinct and to the point for busy people in all walks of life
