my career has usually been funded by grants here are some of the proposals i wrote at the university of colorado and at drexel university successful grant proposals are tricky to write the ones reproduced here might provide helpful examples they may also provide explicit statements of some of the goals of my research over the years

providing clear cut steps for producing each section of a competitive grant proposal this hands on book is filled with examples from actual rfps and proposals practical tools and writing tips prominent educator and successful proposal writer anne l rothstein shares a systematic process created over decades of experience in the field she details how to achieve group consensus around a project identify likely funding sources establish need develop objectives assemble a master project table and other needed tables figures and charts create an effective logic model prepare an evaluation put together a budget tailor the proposal to meet the requirements of funders and avoid common errors purchasers get access to a page where they can download and print the book s 14 reproducible templates in a convenient 8 1 2 x 11 size

it was the 50s and life was simple until september 25 1954 that was the night that would be etched in the memory of the citizens of stanfield massachusetts the chief of police described the brutal savagery of the double homicide as the most atrocious crime in the history of the city a fourteen year old girl and the four year old boy in her care were murdered at the hands of a deranged depraved killer a thread of evidence places the reader at the scene of the crime an eye witness to the senseless stabbing of two innocent children with a piece of crochet thread as their only clue the entire police department lead by detectives steven logan and raymond gage scour the city in search of a maniacal savage when all tips and leads have been exhausted they review all evidence they come back to the thread the only real evidence with tenacity and perseverance of logan and gage the killer is apprehended the reader experiences the twists and turns of the investigation and ultimately occupies a reserved seat in the superior court as the trial proceedings commence a thread of evidence has been written as fiction but inspired by an actual event fifty years later it remains etched in the minds of

all who had lived in the area the author has researched court records newspapers interviewed neighbors police and has drawn on personal recollections of the crime the story has been recounted over and over and to this day it continues to be discussed a thread of evidence is a compelling account of superb detective work and unprecedented dedication of an entire police department

the style of writing is friendly it is not stuffy and certainly not formal there are numerous examples throughout the book would make a good addition to a grants office library the grant advisor this excellent self help book is for first time proposal writers and planners or for those who are without easy access to sources and materials the authors use a concise straight forward and topical approach relying on proven examples of how to find grants and how to plan write and submit proposals that get results the book also explores the information sources and technologies now available for locating federal foundation or corporate funding programs the authors share their streamlining techniques for submitting more proposals in less time a special bonus is the list of writing tips as well as a list of the most likely reasons proposals are rejected
