first published in 2006 and now with over 10 000 copies sold this award winning book on the worldwide history of the chainsaw will captivate all gadget fanciers even if they ve never had a chainsaw in their hands

gender history across epistemologies offers broad range of innovative approaches to gender history the essays reveal how historians of gender are crossing boundaries disciplinary methodological and national to explore new opportunities for viewing gender as a category of historical analysis essays present epistemological and theoretical debates central in gender history over the past two decades contributions within this volume to the work on gender history are approached from a wide range of disciplinary locations and approaches the volume demonstrates that recent approaches to gender history suggest surprising crossovers and even the

discovery of common grounds

this is an account of the swan label s first thirty years written in chronological order with short chapters each illustrating various aspects of the scheme there are few areas of public life in which there have been so many vague pronouncements as for environmental protection perhaps that s because it s so easy to agree on the goals but so hard to find the right solutions and practise what you preach here at the nordic swan we ve done things properly from day one by setting concrete measurable environmental performance requirements and turning the environment into a competitive advantage there have been many conflicts and disagreements but no one can deny that ecolabelling has led to significant environmental improvements the nordic region with its 30 million people is the world s twelfth largest economy and this makes a difference when businesses plan product changes and marketing campaigns the label is a success far beyond the borders of the nordic region

the crescenta valley is a typical suburb of the metropolis of los angeles containing residential neighborhoods nestled in chaparral covered hills but hidden in these typical neighborhoods are remnants of an atypical past a past made up of hollywood legends prohibition era bootleggers and pioneers in women s rights crescenta valley history hidden in plain sight tells the stories behind six places in the community that residents pass by every day with no idea of the amazing events that took place there six innocuous locations with impressive histories a little shack behind an apartment that was once the home of john steinbeck the overgrown ruins of a former speakeasy an abandoned sanitarium that once housed aging hollywood stars and now houses their ghosts a mystical religious sanctuary run entirely by women a former resort and olympic training site buried deep under a suburban shopping mall and a park created by professional baseball players and movie stars all these sites are right here in your neighborhood you ll never look at the crescenta valley the same way again

past vietnam war histories have tended to record the sappers work as peripheral this book attempts to highlight the skill ingenuity and courage they displayed throughout the entire war it chronicles their experiences both good and bad that are based around their operations with an emphasis on the personal experiences of those involved

behold the mighty chainsaw and discover its history its influence and its people considered the most powerful of all hand tools the chainsaw has been vital to contemporary life in ways large small and sometimes surprising since it first came on the market in the 1940s in chainsaw love author james card celebrates this formidable implement in unflinching style sharing stories and reflections about the world of chainsaws and the people who use and appreciate them card describes the

personal freedom that comes from harvesting your own trees for firewood and introduces readers to lumberjack competitors hot saw builders and the sculpture carvers who take sawing to new heights chainsaw love asserts the key role chainsaws play in clearing the right of way for powerlines to keep the electrical grid humming in forestry and conservation efforts to maintain desirable ecosystems and in the sciences where ecologists and astronomers use chainsaws to age trees for scientific research card also considers the chainsaw s place in pop culture from movies to rock songs to presidential photo ops readers of chainsaw love will discover the lore and terminology of forests and wood cutting widow makers and windthrows witness trees and barber chairs pumpkin pine devil s forks cat faces and schoolmarms additionally the book offers insights into chainsaw variations and parts guidelines for saw care and maintenance safety recommendations and other hard won tips and tricks dozens of photos from the field as well as helpful diagrams add to readers understanding of the saw s evolution and modern use part homage part social history and part field guide chainsaw love is the perfect book for chainsaw users of all stripes from loggers to conservationists woodworkers to weekend cabin dwellers and anyone curious about this magnificent and underappreciated machine

the lumberjack freewheeling transient independent is the stuff of countless canadian tales and legends he is also something of a dinosaur a creature of the past replaced by a unionized worker in a highly mechanized and closely managed industry in this far ranging study of the logging industry in twentieth century ontario ian radforth charts the course of its transition and the response of its workers to the changes among the factors he considers are technological development changes in demography and the labour market an emerging labour movement new managerial strategies the growth of a consumer society and rising standards of living radforth has drawn on an impressive array of sources including interviews and forestry student reports as well as a vast body of published sources such as the labour gazette the pulp and paper magazine of canada and the canada lumberman to shed new light on trade union organization and on the role of ethnic groups in the woods work force the result is a richly detailed analysis of life on the job for logging workers during a period that saw the modernization not only of the work but of relations between the workers and the bosses from first page

this study illustrates the significant role fire has played in the history of kejimikujik national park one of the most fire prone areas in the acadian forest of nova scotia functional correlation between past fire occurrences and present day forest ecology was determined using data drawn from a blending of both field archival sources the data were employed to determine the park s historic fire regime to define the role of fire as a driving force in forest succession retrogression and to identify the park s signature pattern of post fire forest communities seral stages the results reveal the significance of fire in sustaining the ecological integrity of the park and in providing a

contextual framework for effective fire management appendices include lists of plant species found in the park copies of forms used in the field studies data on forest age structure tree density summaries of historical fire reports archival data on fires in the park information on fire scar physiognomy sampling and copies of available parks canada fire reports for the park 1968 2000
