this book presents and analyzes magistrate justice of the peace Henry Fielding's impact on law and literature through his pamphlets, periodicals, and novels in the context of laws, legal affairs, legal administration, and the social, economic, political, and legal environment present in 18th century England. It demonstrates and argues that among novels of all time, the most extensive and diversified coverage of laws, justices of peace, lawyers, crimes, and the socio-economic environment, particularly rural 18th century England, of all the noteworthy 18th century novelists or fiction writers, Justice Henry Fielding is the only one who was also a jurist. This book is also focused on demonstrating how extensively Fielding was consumed throughout his life and the area of law from his early age to his death, but with a far broader spectrum of education and experience than anyone except perhaps Lord High Chancellor Hardwicke and Sir William Blackstone. Justice Henry Fielding traveled a long and diversified path in the legal arena to reach the level of expertise which he deployed in providing his public with Tom Jones, Amelia, and Joseph Andrews, as well as his journals and political pamphlets.

these essays are concerned with values and judgments in Fielding's novels—both those which the novels express and those to which the novelist directs the reader. Fielding scholars will find these essays stimulating, and they will be accessible as well to the undergraduate and the general reader.
