blake was not only a poet but also a prolific commentator on both his own art and art in general this is the first text to discuss all of the writings except the annotations to reynolds discourses covered in a previous volume blake s margins mcfarland 2009 topics include his opinions on his predecessors and his contemporaries his reaction to critics and his artistic intentions this

valuable addition to blake scholarship includes reproductions of some of the drawings and paintings in blake s one exhibition of 1809 plus reproductions of other prose texts by blake

now in full color over 50 paintings to view with steps in the painting process to enjoy and learn from imagine yourself painting with no hesitations no conflicts your brush dips into pots of vibrantly colored paint inner inspiration guides your hand into lines and shapes that find their perfect places on the paper welcome i m aviva gold your guide to the magic source as children all of us lived and painted intuitively and as adults we can re create the boundless joy of unselfconscious art by setting aside intellectual critique and self doubt and reconnecting with the source remember standing at an easel as a child and painting in a trancelike state of wonder somewhere along the line this freedom gets trained out of us and we are either categorized as artists or not paint and remember return to the easel with the same childlike sense of play my program is not about regimentation learn to let go of inhibitions relinquish control and embrace the source using simple materials tempera paints newsprint paint without worrying about the end product just let go and begin every human being is an artist in bali one word means both human and artist just show up and face a blank piece of paper tap into the source revitalize transform now imagine yourself painting

if you have ever wanted to control your art so you can paint anything and paint it well this book is for you the mediums are oil watercolor and contour drawing but this is a book about making good paintings not about a particular medium the subject matter is broad ranging from still lifes to figures and portraits to landscapes again the point is that if you can paint you can paint anything but you must never feel compelled to simply paint was is before you you must feel free to paint not what you see but what you want to see the way you want it to look and this book shows you how in this book charles reid offers up a complete course in painting and seeing he critiques student work and analyzes problem paintings explaining where the artist went wrong and what they could have done to improve their work reid also includes numerous assignments to help guide your practice and important lessons on values color and composition you ll learn to make a contour drawing how to layer your washes to achieve a desired value how to mix values for bold statements how to mix subtle colors and flesh tones how to paint lights and shadows how to uses edges to direct the audience s eye how to integrate the subject with the background how to loosen and liven up your painting and much more painting what you want to see is perfect for artists of all levels of ability but is exceptionally well suited for intermediate and advanced students who want to increase the range and expressiveness of their paintings the clear instructions detailed tips and innumerable illustrations and examples will help you develop your own style this is one of charles

reid s finest books on painting technique

monroe katz cuts right to the heart of it the artist must find his own way to say what he has to say in paint pencil or clay but he has to be in a proper frame of mind as a passionate artist playing experimenting agonizing over subject matter daring failing cutting free trusting his or her inner voice being in the ring rather than in the grandstand yes the artist must dare to create from there dr katz takes us deep inside the high arts of painting and sculpting showing us how to convey feeling with color composition texture and above all the eye and heart of the artist at work whether he is depicting a rural landscape a bridge in the napa valley or the essence of his own daughter dr katz s top priority is transmitting through paint or clay what the artist is feeling inside and when you get that feeling right he says it s like music to your brush as he urges be daring don t sacrifice feeling for accuracy and draw every day and through these pages this gifted artist and storyteller helps guide and inspire you every step of the way using sketches and paintings from his beloved rembrandt and other great masters plus his own work the author explains composition color the use of light and shadow plus the joys of painting to music and the creative anguish that every artist faces on his journey of exploration and growth

create art that s more attractive interesting and eye catching even if your perspective is accurate your subject realistic and colors vibrant a weak composition predictable repetitious or monotonous means a weak painting the simple secret to better painting ensures that your compositions work every time it s an insightful artistic philosophy that boils down the many technical

principles of composition into a single master rule that's easy to remember and apply never make any two intervals the same you can make every painting more interesting dynamic and technically sound by varying intervals of distance length and space as well as intervals of value and color the rule also applies to balance shape and the location of your painting's focal point greg albert illustrates these lessons with eye opening examples from both beginning and professional artists including frank webb tony couch kevin macpherson charles reid tony van hasselt and more you'll discover that the one rule is the only rule of composition you need to immediately improve your work the moment your brush touches the canvas

taking your art to a deeper level award winning finalist in the art category of the 2014 usa best book awards if you have ever wished that you could take a fabulous watercolor painting class from a master teacher as well as an accomplished artist then this book is for you included are sections on materials how to paint what to paint color drawing value philosophy and selling ted has taught university art classes for over 20 years he teaches not just the mechanics and fundamentals of painting although of course he does teach that but also the essence and mystery of art he investigates questions such as what is talent why do we revere the arts so much that we build museums to display them and when can you call yourself an artist what is the difference between illustrators and artists do modern art and more traditional art have a common spirit what does it take to create 1 000 paintings and what does that mean if you have ever wondered how it feels to be an artist to paint day after day and to make a living in the arts then this book is also for you the book shares ted's experiences as a painter a teacher and someone who has made a living from the arts it includes a section showing the process of creating a painting from the idea to the completion illustrating the different stages that occur in the painting it includes information on how to sell artwork in galleries and other venues as a teacher ted is especially skilled at helping people take their art to a deeper level no matter what their initial level is he assists people to become freer in their work as well as to develop their own signature style if you are feeling stuck in your art work this book is for you the second half of the book is devoted to a gallery of ted's original paintings his work has its own recognizable style one can see how he has personally put into practice that which he teaches the paintings are both profound and whimsical with a touch of humor here and there the colors are rich and evocative the subject matter is the ordinary stuff of our everyday lives made to come more alive and magical by the colors and whimsy of the images

excerpt from on drawing and painting in beginning the study of any art we must learn what materials and terms are properly used in it and what modes of expression then we ought to have some practice in using the materials and terms and exercises in

the different modes following the example of the masters this is equally true whether we propose to practice the art as a profession or wish merely to understand and appreciate without some experience without some technical knowledge and practice our understanding is sure to be superficial and our appreciation limited it is interesting to remember the passage of aristotle in the politics 1 where he says it is difficult if not impossible for those who do not perform to be good judges of the performances of others they who are to be judges should also be performers if we have never been performers we deny this proposition in self defence but if we have ever practiced any art we know that we are better critics and better judges just for that reason aristotle does not say that it is impossible for any one to be a good judge who is not also a performer it is difficult he says if not impossible nor does he say that the performer is sure to understand he is simply more likely to understand than any one who has never been a performer we know very well how many performers there are who do not understand who have neither appreciation nor judgment and we are willing to admit that certain persons not many are good judges though they have had no technical training we may be sure however that they would be better judges if they had had some training about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

the equivalent of a foundation course in traditional oil painting for beginning to intermediate level artists this in depth book uses the still life as a practical way to master oil techniques the still life is a practical forgiving genre as it does not require the likeness of a portrait or the accurate proportions of the figure and unlike the landscape it doesn't change with the weather instead it gives aspiring artists ample time to study and the opportunity to look closer it can be used as a purely formal subject for drawing and painting techniques or a platform for emotional expression using personal symbolism and imagery however though the still life is used throughout as a teaching tool this is first and foremost a book about oil painting it begins with simple compositions that build to more complex arrangements starting with essential information on how to best set up your studio including lighting equipment materials paints solvents brushes mediums and preparing your canvas and paper for oil painting still life painting atelier then offers concrete lessons in a logical progressive sequence with step by step illustrations finished paintings diagrams

and tips chapters cover how to address composition through thumbnail sketches and line drawings using underpainting to study the characteristics of light and shade the basics of color theory and color mixing how to use a variety of brushes to create sharp and soft edges techniques that are helpful when painting metal and glass how to apply glazing and scumbling to bring luminosity and texture
