este libro es una mezcla de hechos de mi vida donde hay una búsqueda de dios y de realidad lo escribí como una necesidad de expresar visions premoniciones y sueños insólitos que tuve considero que deben llegar a la gente que cada persona haga una interpretación de lo leído y lo acepte o no como una realidad possible

esta es mi historia una historia que me gustaría compartir llena de anécdotas y aprendizajes aprendidos en una vida cuyo día a día se pueden tornar desde una cálida y contagiosa sonrisa hasta un llanto a mas no poder o hasta un enojo de esos que quieres

tirar todo y no querer luchar más pero algo que aprendí es que uno debe levantarse después de cada caída debe entender que más allá de lo difícil que puede ser vivir es algo maravilloso

este libro desde una orientación pedagógica de lo poético pone de manifiesto el potencial educativo y didáctico que atesora la poesía y en consecuencia reivindica una mayor presencia de la misma en la escuela proponiendo recuperar prácticas docentes otrora habituales en las instituciones educativas no todo lo pretérito adolece de obsolescencia y negatividad al contrario hay experiencias de la escuela tradicional que por su naturaleza moral y virtualidad formativa carecen de fecha de caducidad el presente manual no trata sobre didáctica de la poesía al contrario en él se construye conocimiento acerca de sus virtualidades pedagógicas para facilitar un aprendizaje multidisciplinar entonces la poesía se transforma de ser objeto de estudio pasa a ser estrategia y recurso para el aprendizaje y ello con base en el sentimiento y el dominio de la metáfora que debidamente asociados contribuyen a lograr un significado más completo y creativo de los conceptos desde esta consideración lo emocional matiza y complementa el rol de lo etimológico y lo semántico en el conocimiento de las palabras dicho conocimiento es imprescindible para saber con rigor lo que dices y lo que te dicen por tanto es necesario al docente para una buena comunicación educadora con su alumnado lo que entienda este profesional por educar aprender saber pedagógico por libertad o tiempo otras áreas de lo curricular va a influir y mucho en su práctica educativa es precisamente aquí donde la visión poética de cada concepto incorpora matices importantes para su conocimiento el contenido del libro se estructura en dos bloques el primero incluye un conjunto de micro ensayos relacionados con la escuela el segundo define una serie de términos allende su significación para el diccionario y o campo científico al que pertenecen profundizando desde la poesía en otros matices de su mensaje este último a su vez se divide en dos sub bloques uno centrado en conceptos específicamente pedagógicos aprendizaje escuela estudio hombre infancia instrucción y otro conteniendo vocablos propios de las diferentes disciplinas del saber amor inmensidad libertad paz soledad o tiempo finaliza con el apartado que dedica a la recensión de las lecturas recomendadas la metodología desarrollada en el presente libro situada en los bordes de la ortodoxia pedagógica puede proporcionar nuevos elementos al organigrama de los saberes del docente aquí la poesía noble en sí misma presta un noble servicio a la misma pedagogía

bajo el cielo peruano the devout world of peralta barnuevo examines two of peralta barnuevo s overtly religious texts as contexts for the rich erudition demonstrated in other literary and historical genres authored by the early eighteenth century peruvian writer this critical edition makes la galería de la omnipotencia and pasión y triunfo de christo available in print for the first time in over 260 years the two major works span the years 1729 to 1738 la galería celebrates the canonization of toribio alfonso de mogrovejo in a literary tribute and exemplifies how peralta textualized the contradictions of viceregal loyalty and a commitment to a distinct american identity through an analysis of the trans atlantic history of the poetic joust in hispanic letters david slade

demonstrates how la galería exceeds the restrictions of its formulaic genre by offering a perspective on colonial peru alternative to that of the official metropolitan discourse pasión y triunfo written in response to peralta s crisis of faith enters theological debates and displays the author s mature erudition elevated rhetoric and talent for invoking religion and history to serve literary production rebuked by the inquisition peralta mounted a convincing defense to save both himself and the text from censorship with the aim of centering peralta within the canon of latin american letters slade and coeditor jerry williams provide examples of problems and critical questions to be addressed when reading or teaching the two texts they offer la galería and pasión y triunfo as a challenge to readers to reevaluate peralta s legacy with respect to how he engaged enlightenment influences to teach his writings and to treat them as an exegesis of religious writings in colonial peru
