offers a comprehensive guide to bicycles their repair maintenance and care as well as hints on proper riding techniques a discussion of safety issues and bicycling history and trivia

the nearly 150 year old sport of cycling had its first competition in france in 1868 soon afterward the need arose for purpose built cycling tracks because of poor road conditions at the time racing on

blocked off pieces of street or grass soon evolved into racing on special tracks called velodromes this development marked the split into what are still the two main forms of cycling competition road racing and track racing initially track cycling was more popular in terms of public attention and money to be earned by racers but this gradually changed in favor of road racing which has been the most popular form of cycling since at least the end of world war ii the historical dictionary of cycling takes a closer look at the sport as well as discussing the use of bicycles as a means of fitness touring and commuting this is done through a chronology an introductory essay appendixes photos a bibliography and over 500 cross referenced dictionary entries on cycling's two main disciplines road and track as well as brief overviews of the other forms of cycling this book is an excellent access point for students researchers and anyone wanting to know more about cycling

the original mountain bike book by rob van der plas charles kelly

school and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults for them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost so how do librarians recapture the interest of teenagers this just might be the answer here you will find theme based units such as cartoon cavalcade log on at the library go in style cruising the mall space shots teens on tv and 44 others that are designed for young adults each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films the units are highly flexible allowing any public or school library to adapt them to their particular needs
