first published in 1988 this work reports on a major british study of children s progress and behaviour in 33 infant schools the research looks at children from nursery through to junior school and asks why some children had higher attainments and made more progress than others using observations not only in schools but also interviews with children and parents the children s skills on entering school were

found to have an important effect on progress in each school black and white children and girls and boys were studied in order gauge whether gender or ethnicity were related to progress

a liverpool boy from the same cohort as john lennon paul mccartney and george harrison peter sissons was destined for great things then he was caught on the wrong side of rebel lines during the nigerian civil war and shot through both legs his blossoming career as a war reporter came abruptly to an end but another door was about to open and sissons went on to guide a generation through every momentous event of the last forty five years surprisingly funny dramatic and often poignant when one door closes is the bestselling story of britain s most distinguished newsreader and reveals what he really thinks about the state of the british media global affairs climategate and the workings of the bbc

endorsed by university of cambridge international examinations cambridge o level mathematics volume 1 provides a two year course leading to o level examinations from university of cambridge international examinations in mathematics the book is designed to be worked through sequentially and can be used as a classroom textbook or for self study
