*hell no it s over i am done saying it to him felt so damned good god knows he deserved it still deserves it so why is it that only a few weeks later i doubt if i can stand by what i said x that ex is the long awaited answer for women who have left a bad relationship and don t want to go back it is incredibly common for women to leave partners who are emotionally unavailable disrespectful immature selfish or even abusive but then struggle to stay away women might be tripped up by their exes schemes to get them back their own self sabotaging ways or even by our society which seems to glorify a just give him one more chance philosophy to their family and friends dismay huge numbers of women go back to toxic relationships wasting years and the possibility of happier lives on men who can t give them what they deserve if the post breakup world for most people were logical fair regulated and well defined there would be no need for x that ex as most of us know however the time after a breakup is emotionally messy sometimes chaotic and filled with conflicting feelings motivations hopes temptations and realities that must be dealt with x that ex focuses on this confusing time demystifying why it is so difficult to stay away from a problematic ex and distinguishing itself by making personalized predictions for readers about what to expect from their exes and themselves in the tumultuous time right after a relationship ends this book is a unique roadmap that guides readers through the sometimes perilous time when a woman s ex might try time tested tactics to tempt her back when self sabotage may make a woman her own worst enemy and when even our culture gets in on the action by making reunification seem reasonable*

*in today s world much unlike the world of long ago before the 1980s where women probably and seemingly didn t play as many games and didn t scheme as much as the women of today one can clearly see witness and attest to the ever present and overwhelming amount of game playing and scheming ways of most of the females we know know of see and interact with on a day to day basis most every man at one point or some point in his life has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with and many guys get hit with games and schemes even with those that they are married to or in relationships with practically no man is exempt we all at some point will find ourselves faced with a woman whose sole purpose is to either go for what s in our pockets or bank accounts or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well that s a big part of the world we live in as far as men interacting with women and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty four hours a day*
