David Andrew Teeter examines the nature and background of deliberate scribal changes in the texts and versions of biblical law during the late second temple period he offers a descriptive typology and detailed analysis of the attested textual variants and their place within the multi-faceted interpretive encounter with scripture in the late second temple period book jacket

What if heresy had grown within the church maturing secretly over more than a millennium working ill under the cover of right belief and worship this startling and provocative book argues that the ancient heresy of docetism reappearing in a form resonant with its original denial of Christ's body has brought the western church to its current state of disrepair docetism has irreparably fractured western Christendom reducing the church to a tangled mass of denominations and sects while also infecting the course of western society beyond the ecclesia progressing from an ontological foundation oriented toward the dissolution of form docetism has led peoples convinced of their march toward unity into ever deepening alienation although it has repercussions for theological anthropology this ontological foundation has its profoundest implications for the doctrine of God the solution to docetism as proposed by the author begins with a theory of the Trinity grounded in the tenets of biblical wisdom and explicated in terms of the relations of origin between the divine persons

Through U.S. President Franklin D. Roosevelt's Lend Lease program American leaders sought to keep Joseph Stalin's Red Army in the field and fighting Adolf Hitler's forces in the Second World War from 1941 forward delivered by the Anglo-American Arctic naval convoys overland through the Iranian deserts and mountains and through the skies from Alaska to Siberia this much needed material aid helped Stalin's Red Army to continue fighting and thereby prevented a separate peace with Hitler's Germany and a mechanized repeat of the First World War's Brest Litovsk fiasco yet Roosevelt and other U.S. officials due to their severe underestimation of Stalin's character and his rigid and fanatical devotion to exporting communism at gunpoint

gambled incorrectly that they could win the soviet premier s heart and mind through several excessive wartime aid gestures including the furnishing of atomic bomb materials to the soviet regime by 1945 american leaders had succeeded in their strategic goal of keeping stalin and his red army in the war and hastening victory but failed in their efforts to purchase the soviet premier s goodwill and commitment to postwar peace heralding the global cold war and setting the stage for later u s martial aid programs to those resisting aggression abroad in addition to its primary focus on the american leadership s perceptions of stalin s strategic importance to the allied war effort in the second world war this work also includes a detailed assessment of roosevelt s soviet lend lease program alongside u s president ronald reagan s later support for the afghan islamic guerrillas resisting soviet occupation during the soviet afghan war of the 1980s and a comparison of both martial aid programs with washington s recent revival of lend lease aid for the ukrainian war effort it offers today s american leaders and policymakers a chance to consult the lessons of history and apply them in the present
