by means of superb photos and diagrams pallas explains int simple terms the operation of a

diesel engine and shows how to maintain and repair it should it break down this book will be an invaluable reference for when things go wrong

this manual covers the topics that a factory service manual designed for factory trained mechanics and a manufacturer owner s manual designed more by lawyers than boat owners these days covers it will take you through the basics of maintaining and repairing your motor step by step to help you understand what the factory trained mechanics already know by heart page 1 2
