while secularized cultures of the west have a great deal of difficulty dealing with the spiritual as a real non imaginary dimension of life most of the world s peoples do not having worked and

studied among peoples of several non western societies marguerite kraft is convinced that coming to terms with spiritual power presents one of the greatest challenges for all those who work among non westerners in pastoral or mission situations understanding spiritual power addresses the dynamics of the felt need for spiritual power in relation to a people s assumptions values and commitments in order to provide a foundation for meaningful christian witness in power oriented societies the western church kraft argues under pressure from modern rationalism has largely lost awareness of god s power and position vis a vis the spiritual realm so important in other societies indeed this loss of power could be one reason for the interest in eastern and new age philosophies on the part of westerners disillusioned with the modern worldview having worked among the kamwe in nigeria the thai in asia and the navajo in north america kraft focuses on specific ways in which people in these three societies view reality and suggests how the gospel can be articulated in forms they can understand understanding spiritual power offers a theological as well as a practical perspective on spiritual power by exploring living societies providing examples and case studies and offering specific strategies this book makes a powerful case for rethinking and recasting traditional missiological methods at the same time it helps western christians with ears to hear question whether they might not learn as much from those with whom they work as they seek to teach

is the third person of the trinity a distant mystery a vague cosmic force many believers acknowledge him as a component of faith but perhaps not as a reality in their daily spiritual walk yet the bible is clear the holy spirit is a vital equal part of god promised by the father to all christians in living in the power of the holy spirit beloved pastor and bible teacher charles stanley reveals the inner working of the spirit with simple straightforward wisdom with this book you can better experience this awesome gift of god as you discover what holiness is and is not seven works of the holy spirit in your life three potentials god desires you to develop how to remain full of the holy spirit four great questions to ask god every day if you are faltering or easily fall prey to temptation maybe you ve forgotten to rely upon the power of the holy spirit and begun to rely only on yourself the christian life is meant to be increasingly dependent on his power working within you learn today to live in the power of the holy spirit

spiritual power is needed today this power is needed to be like christ in character and in deed it is the power of god the father the son and the holy spirit the lord meant that the church as his body and the believer as a member of his body would manifest spiritual power in character and service the church is generally speaking powerless the lives of many believers are a tragic contradiction of the gospel they talk about in the face of diseases demons and the like many believers stand totally powerless there is a growing confidence in human skills human techniques human methods and human organisations on the whole many live and act as if god were absent this ought not to be so this must not continue to be so in the life of the church and in the life of each believer there must be power that cannot be accounted for on any grounds people looking must be able to say this is god at work and nothing else the power of the lord is made available to all who come to him his power is manifested in full measure through channels that are fully opened to him and that give him the freedom to do his work his way and in his time although spiritual power can be manifested without holiness and obedience those who are open to and co operate with the lord through prayer the word holiness a surrendered life christian character the gifts of the holy spirit and so on will begin to experience spiritual power and as they continue to seek the lord and his might they will grow in the knowledge of him and his might we send out this book with prayer that it should be used by the lord to stir hunger after the lord and the power of his might
