presents an introduction to the spanish language that covers greetings basic grammar spelling and vocabulary

basic spanish for the health professions introduces basic spanish grammar and basic vocabulary used in the medical professions each lesson is divided in three sections 1 grammar reviews basic grammar topics 2 dialogs presents different medical situations which includes medical vocabulary in the form of dialogs 3 cultural notes highlights a theme around hispanic cultural topics and traditions in the medical field the book includes exercises for practice the cultural notes described in each lesson are broad generalizations about a heterogeneous group of latinos health care providers should look more deeply into the particular cultural linguistic and socioeconomic characteristics of their patients backgrounds the following website accompanies all lessons and additional resources such a link to electronic flashcards sites google com site spanishforthehealthprofessions

reviews first and second level spanish and introduces third level concepts using conversational exchanges practice exercises and self tests

basic spanish for getting along is a communication worktext that applies the grammar learned in basic spanish and puts it to

practical use the worktext presents realistic situations a learner could encounter in everyday life with dialogue completions role plays and realia based activities basic spanish for getting along contains two lecciones preliminares preliminary lessons twenty lessons and four review sections repasos to correlate with the basic spanish core text in structure and content the second edition boasts a rich media package that allows students to access everything they need for their spanish course the basic spanish resource center houses a plethora of student and instructor assets including in text audio mp3s cultural activities video based grammar tutorials chapter quizzes powerpoint slides in text answer keys and much much more also new to the second edition is the basic spanish for getting along ilrn learning center this invaluable product lets students complete worktext activities online while accessing the basic spanish ebook ilrn offers diagnostic tests with auto generate study plans so students can gauge their progress and focus their studies on their weak areas important notice media content referenced within the product description or the product text may not be available in the ebook version

grab a friend and get started learning spanish this book provides exercises that help you and a partner start speaking spanish together right away through dialogues and thematic vocabulary you can hold a basic conversation in no time

the second book spanish reader for beginners elementary 2 takes basic spanish grammar structures such as regular verbs reflexive verbs stem change verbs and irregular verbs in the past tense placing them in the context of scenarios that help you learn them as you enjoy reading short paragraphs fully translated from spanish to english you will find a reading comprehension exercise after each chapter moreover in this second book i have introduced direct and indirect object pronouns which at times can prove to be quite daunting to master unless provided with extensive practice once your teacher has introduced you to this subject although each paragraph in spanish in this book includes a second paragraph in english i prefer to encourage students to understand the differences and uses of certain grammatical structures and verbs through paragraphs providing examples and short exercises that trigger intuitive learning however because this is a basic spanish reader i have provided literal spanish

to english translation too literal at times for all paragraphs in order for the reader to comprehend sentence structure in spanish and thus acquiring greater understanding regarding the way we speak spanish in latin america we have intended to use four different colors to highlight the structures in the text however we are afraid that this feature will only be available in the print format as you begin to learn spanish as a foreign language the various uses of the verbs ser and estar may seem like quite challenging task nevertheless through the unique teaching style of costarica spanishonline school the learner is able to comprehend these structures in a natural manner you will find yourself gladly leaving behind exhausting exercises and finding your own way of learning through our more creative approach to learning a foreign language there is absolutely no need to rely on extensive drilling exercises you will find extended practice of ser and estar in the first book spanish reader for beginners elementary we highly suggest at the beginner level of this spanish course starting out with spanish reader for beginners elementary and spanish reader for beginners elementary 2 prior to purchasing spanish reader for beginners i hope you find these short paragraphs examples and exercises helpful iris acevedo a author founder
