by defining man s vulnerability as his strength dr gruen points the way to a psychoanalysis of personal courage and social responsibility at the same time exposing the childhood split which leads man to abandon his true self

this volume presents eco phenomenology s role in pandemics and post pandemics and takes up the task of eco phenomenology as a unified project by not focusing on naturalizing phenomenology but rather exploring the full range of possibilities such as creative acts and self individualization in dealing with ecological threats eco phenomenological developments are based on the main concepts of phenomenology of life as created by anna teresa tymieniecka this volume also uniquely explores the covid 19 pandemic as a phenomenologically interpreted and ecological phenomenon it appeals to students and researchers working in the fields of phenomenology and environmental philosophy

vol 34 includes special tariff conference issue nov 6 1925

this third volume in the companion to medical humanities series considers the concept of treatment as an active process which produces an outcome be it effective inappropriate or inadequate it invites the reader to examine the relevance of the patients belief in any given treatment and their confidence in the practitioner against a person cent

this book presents a series of essays by i william zartman outlining the evolution of the key concepts required for the study of negotiation and conflict management such as formula ripeness pre negotiation mediation power process intractability escalation and order responding to a lack of useful conceptualization for the analysis of international negotiation zartman has developed an analytical framework and specific concepts that can serve as a basis for both study and practice negotiation is analyzed as a process and is linked to other major themes in political science such as decision structure justice and order this analysis is then applied to negotiations to manage particular types of conflicts and cooperation including ethnic conflicts civil wars and regime building it also develops typologies and strategies of mediation dealing with such aspects as leverage bias interest and roles written by the leading exponent of negotiation and mediation negotiation and conflict management will be of great interest to all students of negotiation mediation and conflict studies in general

a practicing specialist in the health and education fields for over thirty five years nicholas j mason ph d has typically worked with clients who feel lost in the bewildering environment of their lives they say they don t know what they feel or what they want from life they are unclear about where they are going and they don t know for sure where they have been these clients complain of feeling helpless out of control confused disoriented and generally unhappy they are not fulfilled souls they need a treasure map to lead them back to a more productive and satisfying path other clients feel comfortable with their personal lives but have conflicts at work or difficulty getting their careers on track some are happy enough personally and professionally but want to eliminate destructive habits or gain greater control over their bodies some feel they know what they need to do but lack motivation others have severe health problems they all would prosper from a treasure map that would show them the most productive way to achieve whatever is best for them in whatever realm of life where they require it dr mason has developed such a comprehensive treasure map to create gratifying lifestyles specifically the treasure map reveals that by maintaining heightened conscious awareness respecting our bodies and spirits and invoking the powers of our subconscious we can learn what we really really want in life and use that knowledge to reach our optimum levels of fulfillment in his experience dr mason has found that people who accept this principle and develop the skills to put it into practice solve many of their problems and greatly enhance the quality of their lives therefore the book s primary purpose is to show readers how to create a lifestyle that enables them first to recognize and then realize their deepest ambitions after the introductory chapters readers learn how to use their treasure map to achieve autonomy and optimize health careers and relationships each chapter presents anonymous case studies from dr mason s practice and includes specific exercises and practical techniques as well as narrative explanations
