once liberal christianity was preached in ways that defined it in the public eye now christianity is identified almost exclusively with its conservative expressions seasons of the christian life presents a series of sermons articulating a liberal christianity over against its conservative neighbors they were preached at the university church marsh chapel at boston university save for one preached in memorial church at harvard during the 2004 2005 academic year when president george w bush was reelected and the country was at war in iraq and afghanistan and at war with terrorists wherever they could be imagined the sermons follow the revised common lectionary and focus on biblical interpretation as it is applied to the then current spiritual cultural social and political situation the author is a professor of theology and at the time was dean of marsh chapel and chaplain of the university

the more popular practical counterpart to hans urs von balthasar s own book of the same title this book plumbs the depths of what it means to be a christian

a selection of key writings from the french religious philosopher jean borella

books on the christian life abound some focus on spirituality others on practices and others still on doctrines such as justification or forgiveness few offer an account of the christian life that portrays redeemed christian existence within the multifaceted and beautiful whole of the christian confession this book attempts to fill that gap it provides a constructive specifically theological interpretation of the christian life according to the nature of god s grace this means coordinating the triune god his reconciling justifying redemptive restorative and otherwise transformative action with those practices of the christian life emerging from it the doctrine of the christian life developed here unifies doctrine and life confession and practice within the divine economy of grace drawing together some of the most important theologians in the church today sanctified by grace achieves what no other theological text offers a shared work of dogmatic theology oriented to redeemed christian existence

called a physician of the soul martyn lloyd jones is widely regarded as one of the most powerful preachers of the twentieth century originally trained as a medical doctor he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner with a unique ability to winsomely capture the minds and hearts of his listeners lloyd jones crafted sermons that continue to have a tremendous impact on the world today almost forty years after his death in this book pastor jason meyer summarizes what lloyd jones taught about the christian life what he saw as the dangers of separating doctrine from life and how he modeled devotion to the knowledge of god lloyd jones s passion for the glory of god in his own life will encourage christians to hunger to experience god in the same way

an international bestseller by one of this century s most prominent theologians on being a christian is a work of exhaustive scholarship born of the author s passionate belief in jesus christ as the center of existence hans kung here assesses the impact of other world religions humanism science technology and political revolutions and sifting through the theological controversies within the christian community itself he affirms the vitality and uniqueness of christianity by tracing it back to its roots the reality of the historical christ but more than history or theology on being a christian reexamines what it means to be a christian today the role of christian ethics in a social and political context the relationship between christians and jews the organization of a community of believers and practical suggestions for dealing with personal crises of faith this image books edition will reach even larger segments of the population for whom the book was written kung defines his audience as those who do not believe but nevertheless seriously inquire who did believe but are not satisfied with their unbelief who do believe but feel insecure in their faith who are at a loss between belief and unbelief who are skeptical both about their convictions and about their doubts who are christians and atheists gnostics and agnostics pietists and positivists lukewarm and zealous catholics protestants and orthodox a landmark work for both scholars and educated laity on being a christian has become a small summa of the christian faith this is not another gospel kung contends but the same ancient gospel rediscovered for today

alexander campbell explains the tenets and principles of the christian faith drawing

upon decades of experience as a minister author and leader of the restoration movement as one of the first christians in north america to undertake mass distribution of the written word campbell understood how spreading knowledge and insight cemented god s cause this work serves as a summation of christianity explaining the significance of the holy bible god as creator and spiritual knower of all and the life of his son on earth jesus christ designed as an informative guide steeped in scriptural wisdom the christian system is both a wellspring of religious knowledge and a historic landmark of american christian authorship this edition also includes several lectures and pamphlets delivered by alexander campbell over the course of his life their topics range from the treatment and forgiveness of sin to the holy sacraments taken in church to the spiritual regeneration and rebirth of a man repentant and reformed in god s image fittingly the book concludes with a rallying call to christian faithful to the sons and daughters of the lord mindful and strident in emulating the kingdom of god a celebrated figure in the revivalist movement of the mid 19th century many modern churches in the usa trace their origins to the efforts of alexander campbell and his fellow leaders

competing worldviews cast their impact on the church and the christian confession what does it mean to be a christian in an age that threatens cultural dissolution related questions press on a calm consideration of the meaning of the christian life who is jesus christ of whose salvific work the christian confession depends why did jesus christ come into the world what is to be said of the human condition following the adamic fall which as john milton says brought death into the world and all our woe what is the christian s highest good the grounds on which it has life determining relevance and what are its existential implications in this closely reasoned and biblically informed examination of those questions douglas vickers concludes that the christian s highest good exists in fellowship with the father the practical and everyday significance of that fellowship is addressed at length and the meaning and prospect of each christian s eternal life is shown to be grounded in a vital and indissoluble union with christ

in æthe truth of the christian religion volume 2 â julius kaftan delves into the core doctrines and theological underpinnings of christianity this volume explores the

intellectual and spiritual dimensions of christian belief offering a rigorous examination of its foundational tenets kaftan addresses key theological questions providing insights into the nature of god the person of christ and the role of faith in human life written with both scholarly precision and pastoral sensitivity this book appeals to readers seeking a deeper understanding of christian theology it is an essential resource for students theologians and anyone interested in exploring the intellectual heritage of christianity this enduring work continues to invite readers to grapple with the profound truths at the heart of the christian faith this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

written by an award winning author this well organized and comprehensive introduction to global christianity illuminates the many ways the world s christians live their faith today covers the entire globe africa asia and latin america as well as europe north america and the pacific provides impartial in depth descriptions of the world s four major christian traditions orthodox catholic protestant and pentecostal charismatic utilizes the best available sources to produce an up to date profile of demographic trends in the christian population blends history sociology anthropology and theology to create a rich multi layered analysis of the world christian movement features clear maps and 4 color illustrations throughout the volume

quickly find and understand key theological terms christianity is a faith built upon the

word and understood through words both written and spoken handed down for centuries but many of the terms used in both the scriptures and theological writings are unfamiliar or misunderstood for the christian desiring a more clear and robust understanding of these terms this book offers concise definitions of six hundred of the most significant words at the heart of the christian faith including terms related to doctrine e g the atonement the church biblical concepts e g messiah son of man church practices e g anointing of the sick immersion philosophical concepts e g a priori compatibilism people e g thomas aquinas john wesley councils e g councils of nicea i and ii council of trent movements e g protestantism pentecostalism documents e g the chalcedonian creed chicago statement on biblical inerrancy and more students of the bible college and seminary students and anyone who desires to deepen their understanding of the christian faith will find this an indispensable resource

examines the early church from the perspective of the living practicing communities of the poor the author focuses on the basic communities that comprised the church at its beginnings and on the role of the poor and marginalized back cover
