a study of the book of revelation suggested to dr hanson the idea of tracing the conception of the wrath of god through the bible from its primitive and personalized form in the earliest strands of the old testament to its final development in the new under the impression that the wrath of god in the new testament must be interpreted as if it had the same meaning as in the old some theologians have been driven to formulate a distorted doctrine of the atonement and others to repudiate the idea of the wrath altogether dr hanson shows that this is a false dilemma and that there is a true new testament doctrine of the wrath profoundly influenced by the revelation of the love of god in jesus christ and at certain points essentially related to the

cross this doctrine he finds most fully expressed in the book of revelation

in this unusual book dr schoonhoven contends that heaven as well as earth endures the wrath of god the powers of evil personal incompleteness and temporality this kind of imperfect heaven he believes is consistent with the fundamental antithetical structure everywhere given between this evil age and the age to come only the new heaven silly exist in the perfect idyllic sense and it is christ who during this age in a preliminary and anticipatory manner and in the age to come in a radically final fashion terminates the ambivalence of heaven

god has been misrepresented by both his followers and his enemies most of the misrepresentation centers around the biblical phrase the wrath of god this misrepresentation is due to the failure of both defenders and detractors of god to thoroughly study scripture s teaching on this subject in this book we show the reader that as we allow scripture to interpret itself we will find that god s wrath does not equate to the angry destructive being that he is often portrayed to be nor does his wrath eliminate his love the reader will learn that scripture presents a consistent picture of a loving god trying to save mankind from the destructive power of our own sins

eighteen year old caliph of khorasan khalid takes a new bride each night and has her executed at dawn sixteen year old shazi discovers that the villainous boy king is not all that he seems and neither are the deaths of so many girls it s up to her to uncover the reason for the murders and to break the cycle once and for all

perhaps one of the most misunderstood and misrepresented topics in the bible the wrath of god has to harmonize with jesus christ s revelation god otherwise it become a contradiction the wrath of god is a biblical term that cannot be taken literally just like any other terms and expressions cannot either this book tackles the wrath of god by allowing the bible itself to provide us the answers looking at examples from the past digging deep into the meaning of hebrew and greek words and doing a careful study of romans chapter one what emerges is a completely different picture of the wrath of god than what one would expect the dots finally seem to connect and bring the harmonious whole into focus god can still be love in the context of a true understanding of the wrath of god and the gospel the good news can still be good news indeed the third book in the god on trial series the wrath of god unmasked is sure to remove the veil that covers our eyes regarding the god of infinite love

reprint of the original first published in 1864

written by leading scholars from around the world the articles in this volume range from sin sufism and terrorism to theology in the 19th and 20th centuries vatican i and ii and the virgin birth
