an astonishing and revelatory history that re presents god as he was originally envisioned by ancient worshippers with a distinctly male body and with superhuman powers earthly passions and a penchant for the fantastic and monstrous a rollicking journey through every aspect of yahweh s body from top to bottom yes that too and from inside out ms stavrakopoulou has almost too much fun the economist the scholarship of theology and religion teaches us that the god of the bible was without a body only revealing himself in the old testament in words mysteriously uttered through his prophets and in the new testament in the body of christ the portrayal of god as corporeal and masculine is seen as merely metaphorical figurative or poetic but in this revelatory study francesca stavrakopoulou presents a vividly corporeal image of god a human shaped deity who walks and talks and weeps and laughs who eats sleeps feels and breathes and who is undeniably male here is a portrait arrived at through the author s close examination of and research into the bible of a god in ancient myths and rituals who was a product of a particular society at a particular time made in the image of the people who lived then shaped by their own circumstances and experience of the world from head to toe and every part of the body in between this is a god of stunning surprise and complexity one we have never encountered before

the most important question for a w tozer no question is more important than what is god like the desire to know god consumed his entire life and ministry that s why those who read him come to know god more intimately originally preached as sermons at southside alliance church in chicago this first volume of the attributes of god examines ten attributes of god it also includes a study guide for an in depth look at each attribute infinite immense good just merciful gracious omnipresent immanent holy perfect steeped in scripture and filled with the spirit tozer preached with striking clarity and power the sense of his sermons comes through on every page bringing the word of god to bear upon you if a sermon can be compared to light then a w tozer released a laser beam from the pulpit a beam that penetrated the heart warren wiersbe former pastor of the moody church

now that god is popular again what do people say about him interest in the nature of the supreme being is growing again especially among people who had turned away from conventional religious approaches god is in again but what do we

god is bigger than you think many people feel both drawn to god and afraid of him how can they feel close to a perfect god whom their flawed self is incapable of pleasing fortunately god has revealed truths about himself in scripture that can untangle our confusion in this daily guide to studying and praying according to god's attributes ann spangler resurrects old fashioned words like holiness omnipotence omniscience and omnipresence far from boring us these words when excavated for their biblical meaning paint a thrilling vision of god that can help us experience him more deeply they can also prevent us from making the colossal mistake of concluding god is too weak distant or uncaring to help us when we need him in the tradition of her bestselling books praying the names of god and women of the bible this new devotional focuses on one particular attribute each week praying the attributes of god will help you see that god is far bigger and far better than you could ever hope or suspect at some point in our lives many of us have fallen victim to an imbalanced distorted view of god sometimes we see him as a hard god all seeing all powerful and all knowing but not someone we can trust or get

close to other times he is depicted as much softer always tolerant and not too demanding but not much better than we are what we need is the perspective only god can give a true and deeper vision of who he is as the almighty everlasting god who is holy and yet merciful jealous and yet loving righteous and yet forgiving let us not settle for a vision of god that is thin and anemic one that will fall to pieces when life becomes more difficult than we can bear instead let us pray that god will draw us out of our complacency so that we might hunger and thirst for more of him as you read through this book i hope you will share my sense that learning more about god's attributes is like drawing water from a deep well the kind that can refresh and invigorate your faith in the days and weeks ahead may god give you the boldness to prayerfully insist that he nourish sustain and strengthen you with a clearer revelation of who he is ann spangler

this classic of christian testimony and devotion explores the attributes of god in words that fly straight to the heart a superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from god s infinity to god s love and relates that aspect to today s world while pointing always to god s wonder and inscrutability a w tozer asserts that the cause of many of our modern spiritual woes is the loss in today s church of a lofty concept of god he argues persuasively that the cure lies in our rediscovery of god s majesty true religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface the messenger of christ though he speaks from god must also as the quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself his message must be not only timeless but timely he must speak to his own generation the message of this book is indeed both timeless and timely tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church he sees the church as having surrendered her once lofty concept of god not deliberately but little by little and without her knowledge with this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet god in adoring silence tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy it is impossible to keep our moral practices sound and our inward attitudes right while our idea of god is erroneous or inadequate he tells us

when we speak of god's attributes we are talking about those characteristics that help us to understand who he truly is an attribute of god is not a part of god not component parts of god in other words god is not 15 love 25 holy 5 righteousness 10 mercy etc each attribute describes his total being for example love is not just a part of god's nature god in his total being is love holiness is not just a part of god's nature god in his total being is holy and god will not compromise one of his attributes when exhibiting another attribute of his so we always need to remember that god is the sum of all perfections and because of which we must be careful when we study the attributes of god that we do not emphasize one attribute at the expense of the others what you will find in this book meditating on the attributes of god are just some of his attributes and are in no way thorough as god is infinitely far above and beyond our ability to fully understand and comprehend him our finite minds cannot reason fully not even a fraction of who god is but the bible communicates what he is like so that we can know him better god tells us through his very word specific truths about himself so that we can know what he is like and be drawn to better worship him god's manifold attributes shine most clearly in his son jesus christ who came to reveal his father through christ's saving work on the cross we are able to know and worship god rightly and once we begin to grasp who god really is and what he is like it will make a difference in our lives properly understanding god is the key to trusting him enough that he can live through you a w tozer wrote what comes into our minds when we think about god is the most important thing about us a right view and understanding of god is essential if we are to develop trust and faith in him and have real purpose in living so why learn about the attributes of god as someone very well put it a man's own character will necessarily be determined by the character of the god whom he worships what you are and what you will turn out to be in life is affected by whom or what you worship therefore in order to have a true understanding of who god is so as to rightly worship this god of the bible we must have a right understanding of his attributes though there are many good reasons why it is important for us to understand the attributes of god here are just 3 key reasons as to why i believe it is important for us to do so 1 it pleases god 2 it saves and protects us from having a wrong view of god 3 the result is joy in our hearts this book therefore aims to help us study and understand the attributes of this infinite god so that we delight in and love him with all our heart

soul strength and mind as you will notice this book dwells on twelve key attributes that have been selected one for every month and as you get into a particular month with a specific attribute for that month you will find 31 verses pertaining to that said months attribute use this devotional to enrich your time set apart with god by taking one description of him and meditating on that for the whole day along with the accompanying passage i pray that this book will help you in your worship of god the purpose you were created for by focusing on him and his character

an audacious excursion into the life of the third figure in the holy trinity the left hand of god interweaves scholarship with religion myth and culture to expertly trace the influence of the holy spirit throughout the ages

nothing in life is more important than delighting in god the greatest commandment is to love the lord our god with all our heart soul mind and strength and this is only possible through ever increasing understanding and appreciation of what god is like what s so great about god is a series of meditations taken from the personal devotional studies and prayers of pastor darrell ferguson designed to assist in opening the readers eyes to the wonders of the goodness of the glory of god a good understanding of god s character and nature is so important for every follower of christ get ready for a revived growing faith in god as you seek his heart daily through this book darrell wonderfully leads us on a daily devotional adventure through the depths of who god is encouraging and maturing faith await you jump in today ed taylor pastor calvary chapel aurora co darrell ferguson accomplishes three things that are rare in the world of christian books he astonishes with outside the box insights he maintains a practical rather than theoretical focus and he is thorough and steeped in biblical images of god s nature and deeds that most people never comment on if you want a deep exploration of living life with god to see him behind the veil and know he is there ferguson s book is unique and worthy of being this year s spiritual project for anyone fortunate enough to pick it up derek leman m t s hebrew bible emory university

this book offers a radical new way of approaching the old testament sigmund wagner tsukamoto argues that rational institutional and constitutional economic lessons can be derived from the old testament with applications to social conflict

and resolution the book suggests that this religious text also anticipated many modern economic advances

jim mcguiggan s passionate devotional readings draw the reader beyond the commands the laws and the history to reveal god s tender love since childhood you ve sung the words jesus loves me this i know the tune is as familiar as your own mirrored reflection but sometimes we have difficulty believing that the creator and sustainer of the universe could be bothered with people like you and me much less really love us but when god put on flesh and entered our world he washed dirty feet he soothed suffering souls and he forgave fallen sinners his message is loud and clear he loves us jim mcguiggan s passionate devotional readings draw you beyond the commands the laws and the history to paint insightful portraits of god that reveal his tender heart of love
