part almanack part dictionary this is an encyclopaedia in one portable volume its features include 100 quotations for special occasions proverbs comparisons and similes abbreviations in common use and geographical facts

born in rural mississippi the grandson of slaves richard wright overcame every social obstacle including poverty racism and limited education to achieve literary recognition as the creator of some of america s most powerful black literature written with unprecedented candor wright s works changed the cultural landscape by challenging old stereotypes and myths about race wright scholar robert felgar has written a critical volume to help students appreciate the literary significance of such groundbreaking works as native son and the autobiographical black boy this study serves

students of both literature and social history as it explores the themes of racism and all types of institutionalized oppression that wright exposed in his provocative writing. Each of wright's major works in chronological order offering insightful literary analysis of *Uncle Tom's Cabin*, *Native Son*, *Black Boy*, and *The Outsider* as well as wright's two works published posthumously, *Eight Men*, a collection of stories, and *Lawd Today*. The original censored works are discussed and compared with the more recently republished unexpurgated versions. This student companion introduces readers to Richard Wright with a biographical chapter recounting the writer's struggles and achievements. A literary heritage chapter examines the genres, themes, and stylistic traditions that figured in wright's work. Each of wright's major works of fiction is given careful literary interpretation with analysis of plot, character, development, thematic concerns, and a close alternate reading. A selective bibliography of critical works and reviews in addition to the listings of wright's stories, essays, and full-length works will help students derive the most from their study of this important American writer.

Generations of readers and movie viewers have been drawn to the spirited heroines of *Uranian* and *Sensibility*, and Emma prepared especially for students. This full-length critical study of Jane Austen covers her six most beloved works, including the two novels *Northanger Abbey* and *Persuasion*, published posthumously. Young readers will enjoy the vivid biographical account of how Austen herself was just a teenager when she took up the pen and began to write in guarded secrecy. Austen scholar Debra Teachman has a historian's eye for detail as she describes Austen's homelife in the English countryside and the social environment that were so much a part of Austen's stories. Teachman examines each novel relating how historical context influenced the characters, events, and themes that Austen developed. Teachman eloquently points out, for example, that while Austen does not overtly preach feminism in any of her novels, the lack of legal protection for women is a vital societal theme in *Uranian* and *Sensibility*. Her discussion of the economic realities at the core of Austen's novels will help readers appreciate that works like the best-selling *Pride and Prejudice* are more than just charming stories. In addition to analyzing the literary elements in each work of fiction by Jane Austen, this companion also gives students an overview of Austen's literary heritage, discussing first the novel itself as a genre. This useful chapter then identifies each subgenre that influenced Austen: epistolary writing, the adventure novel, the gothic form, and women's rights novels. An extensive bibliography directs readers to biographical materials, historical documents, reviews, criticism, and numerous other accessible sources that will enhance their further study of Austen's writings. For students of classic fiction, this well-written critical study aids in the enjoyment and understanding of the

life and works of jane austen

the fourth edition of the student s companion to social policy maintains the text s inimitable and best selling approach written by a wide range of experts in the field it has been extensively updated and revised to take account of recent developments and debates and changing political and economic configurations includes an additional five chapter section on the key themes and issues in the development of social policy in the uk since the nineteenth century new to this edition are chapters addressing emergent areas in the discipline new illustrative material problem centred review questions and a dedicated website provides students with a companion which is so comprehensive that it can be used throughout their undergraduate and or postgraduate studies meets the needs both of those specializing in social policy or policy related occupations and the wide range of students studying it as part of other programmes enhanced by a website available at wiley.com/go/alcock4e featuring student resources including chapter overviews study questions videos resource guides and more

the dazzling romantic fiction of f scott fitzgerald manages to captivate each new generation of readers this critical introduction written specifically for students offers insightful yet accessible literary criticism for five novels *this side of paradise* *the beautiful and damned* *the great gatsby* *tender is the night* and *the last tycoon* a full chapter is devoted to examining each of these works with an in-depth discussion of character development thematic concerns and plot structure the introduction to each novel traces its genesis and the critical reception it received at the time it was written the historical context sections examine the ways visionary works like *the great gatsby* offer both a chronicle and a critique of the attitudes dreams and illusions of american society during the period between the first and second world wars students will also get a vivid sense of how life and art converged in the fiction of f scott fitzgerald the man who christened the jazz age this introductory study features a biographical chapter that relates fitzgerald s life to his work and a chapter that places his fiction within its historical and literary contexts five chapters analyze not only the basic literary components of plot character and theme but also provide an alternate critical interpretation of each novel that enriches reader s understanding of the work s complexity and vision a complete bibliography of fitzgerald s works and a selected bibliography of critical and biographical sources complete this volume
