9 11 the rise of hitler the kennedy assassination man landing on the moon the gulf war all these events were foretold by a code hidden in the bible 3 000 years ago and it keeps coming true the code predicted that barack obama would be president a year before his election it predicted the great recession even when the stock market was at an all time high even more startling than the events the code has

already predicted are its warnings for the future is the current world economic crisis over or is worse to come do international terrorists have nuclear weapons and will they use them which cities will be in the first wave of nuclear attacks and which will be next and why is the american president the one man who might be able to prevent nuclear armageddon the third in a series of international bestsellers that have gripped millions across the globe the bible code saving the world takes us into the secret corridors of our hidden government where a shadow war against terrorism is already being fought though it might be missing its true target the code tells us a probable future but it is a future we can change this however may be our final warning

the bible can be proven is a culmination of nearly thirty years of research from the very best scholarly references that proves the bible is not only historically reliable and trustworthy but it is beyond mere humanity to compose proving itself to be divinely inspired readers will gain a sense of confidence in the bible by learning the historical mathematical and logic driven evidence to support its authenticity the bible can be proven is a tremendous resource for believers and seekers alike and will provide confidence for those who yearn to strengthen their faith and share it boldly with others

religion for thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak if religion is the opium of the masses then beliefs about the end of the world are like overdoses people touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart they live with the promise of divine intervention at a grand scale on the current coordinates of space and time this can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level in the name of an immediate and palpable deity people can commit shocking cruelties however such belief can also account for some of the most exceptional social developments in human history
