arizona is proud to have one of the seven natural wonders of the world the grand canyon with the arrival of the santa fe and union pacific railroad in the early 20th century the development of the canyon began in earnest the railroads along with the santa fe s business partner the fred harvey company greatly promoted the grand canyon as a tourist destination through books pamphlets and magazine advertisements on february 26 1919 congress established the grand canyon national park and the federal government became a promoter of the grand canyon too but perhaps the best promoters of the grand canyon were the people who wrote home on picture postcards telling their friends and families about the amazing canyon a number of the postcards published about the park can be found within the pages of this book

the alligator great thumb mesa buddha temple what do these names have in common they are designations given to some of the magnificent geological features in grand canyon national park serving as a snapshot in time and insight into the history and culture of place these names honour the heroes and deities of many nations and cultures find out about scientists darwin tyndell explorers powell ives and godheads the trinity krishna

explore the past present and future of the grand canyon beautiful photos fact filled text and engaging infographics help readers learn all about this natural wonder and how to protect it long into the future

grand canyon for sale is a carefully researched investigation of the precarious future of america s public lands our national parks forests wildlife refuges monuments and wildernesses taking the grand canyon

as its key example and using on the ground reporting as well as science research the book makes plain that accelerating climate change will dislocate wildlife populations and vegetation across hundreds of thousands of square miles of the national landscape so what s the plan as the next phase of our political history begins consolidating protected areas and prioritizing natural systems over mining grazing drilling and logging will be essential but a growing political movement well financed and occasionally violent is fighting to break up these federal lands and return them to state local and private control that scheme would foreclose the future for many wild species which are part of our irreplaceable natural heritage and would lead directly to the ruin of our national parks and forests grand canyon for sale is an excellent overview of the physical biological and political challenges facing our national parks and u s public lands today
