this work uses existing studies for the empirical audience reception data combined with discussions of the different representations of violence to look at violence in the media as an art form of its own

this volume was first published by inter disciplinary press in 2014 understanding violence in the context of the contemporary world leads us to an infinite number of viewpoints and theoretical frameworks not only the study of violence has been largely split into specific groups but at the same time different disciplines seem to have assumed the existence of a peaceful society in which violence occurs only in specific places and events including armed conflicts civil unrest and violent crime however it is a slippery concept that transcends unstable limits between public and private legitimacy and illegitimacy individual and collective spheres taking an interdisciplinary approach to the concept of violence in the contemporary world we present a collection of seventeen chapters organized in four sections sexualised and intimate partner violence encouraging disclosure urban violence crime and fear in the contemporary world representing violence a critical analysis violence and political destabilization war elections and corporations

this book directly explores the question of why contemporary society is so fascinated with violence and crime the fascination with violence in contemporary society posits that the phenomenon is in part because we have all become consumers of the sublime an intense and strongly ambiguous emotion which is increasingly commodified through the experience of violence and the sense of disorientation that accompanies it we obsessively seek out moments of intensified existence equally crime continues to speak to the depths of the collective unconscious questioning us about our transience and the model of society we wish to live in binik proposes that this is why the reaction to violence has become a tool with which to express and take ownership of a desire for social cohesion this book uses interviews with viewers dark tourists collectors and others to further interrogate this social trend many of these are participants in the four key case studies explored within the study emotional pathways while watching a true crime tv series the trend of dark tourism murderabilia collecting and the fanaticism of and for anders breivik this book seeks to answer one of the most pressing cultural trends of the modern age and fill in a gap in the criminological literature on the subject

since its inception around 1970 the study of new religious movements nrms has evolved into an established multidisciplinary field at the same time both the movements and the scholars who study them have been the subjects of intense controversy in this volume a group of senior nrm scholars who have been instrumental in the development of the field will offer pivotal essays that present the basics of nrm scholarship along with guidance for teachers on classroom use the book is organized topically around subjects that are both central to the study of nrms and likely to be useful to

non specialists part i contains examinations of the definitional boundaries of the area of study varying disciplinary perspectives on nrms unique methodological ethical problems encountered in the study of nrms and the controversies that have confronted scholars studying nrms and the movements themselves part ii examines a series of topics central to teaching about nrms the larger sociocultural significance of the movements their distinctive symbolic and organizational features the interrelated processes of joining and leaving nrms the organization of gender roles in nrms media and popular culture portrayals of the movements the occurrence of corruption and abuse within movements and violence by and against nrms part iii provides informational resources for teaching about nrms which are particularly important in a field where knowing the biases of sources is crucial with its interdisciplinary approach the volume provides comprehensive accessible information and perspectives on nrms it is an invaluable guide for instructors navigating this scholarly minefield
