bookdown authoring books and technical documents with r markdown presents a much easier way to write books and technical publications than traditional tools such as latex and word the bookdown package inherits the simplicity of syntax and flexibility for data analysis from r markdown and extends r markdown for technical writing so that you can make better use of document elements such as figures tables equations theorems citations and references similar to latex you can number and cross reference these elements with bookdown your document can even include live examples so readers can interact with them while reading the book the book can be rendered to multiple output formats including latex pdf html epub and word thus making it easy to put your documents online the style and theme of these output formats can be customized we used books and r primarily for examples in this book but bookdown is not only for books or r most features introduced in this book also apply to other types of publications journal papers reports dissertations course handouts study notes and even novels you do not have to use r either other choices of computing languages include python c c sql bash stan javascript and so on although r is best supported you can also leave out computing for example to write a fiction this book itself is an example of publishing with bookdown and r markdown and its source is fully available on github

the importance of comprehending god s will for one s life is emphasized throughout the book because it is necessary to forge a contented and fruitful connection with god when one is unclear about god s plan in any area of their life uncertainty and uneasiness arise too many christians go about their daily lives never realizing what god s perfect will is for them at that specific time christians are deprived of the chance to experience god s highest intentions by not knowing god s perfect will additionally it keeps people from leading a prosperous fruitful joyful peaceful and spiritually filled life in the present the lack of discernment of god s perfect will for your life will cause you to live far below your rights

and privileges in christ however the recognition of god s purpose for your life will provide a greater sense of identity belonging vocation and guidance which links you to a higher purpose the kingdom of god the reality is that this crucial aspect of christianity today receives relatively little attention but it is at the core of effective and genuine christian living without a clear grasp of god s intention for one s life one could feel like or even become a square peg in a round hole especially in identifying the appropriate ministries and where to serve effectively in the body of christ
