1 new york times bestseller more than two million copies in print the premier resource for how
to deliver results in an uncertain world whether you re running an entire company or in your first
management job a must read for anyone who cares about business the new york times when
execution was first published it changed the way we did our jobs by focusing on the critical
importance of the discipline of execution the ability to make the final leap to success by actually
getting things done larry bossidy and ram charan now reframe their empowering message for a
world in which the old rules have been shattered radical change is becoming routine and the
ability to execute is more important than ever now and for the foreseeable future growth will be
slower but the company that executes well will have the confidence speed and resources to
move fast as new opportunities emerge competition will be fiercer with companies searching for
any possible advantage in every area from products and technologies to location and
management governments will take on new roles in their national economies some as partners
to business others imposing constraints companies that execute well will be more attractive to
government entities as partners and suppliers and better prepared to adapt to a new wave of

regulation risk management will become a top priority for every leader execution gives you an edge in detecting new internal and external threats and in weathering crises that can never be fully predicted execution shows how to link together people strategy and operations the three core processes of every business leading these processes is the real job of running a business not formulating a vision and leaving the work of carrying it out to others bossidy and charan show the importance of being deeply and passionately engaged in an organization and why robust dialogues about people strategy and operations result in a business based on intellectual honesty and realism with paradigmatic case histories from the real world including examples like the diverging paths taken by jamie dimon at jpmorgan chase and charles prince at citigroup execution provides the realistic and hard nosed approach to business success that could come only from authors as accomplished and insightful as bossidy and charan

what separates the master from the apprentice the craftsman from the amateur a winner from the loser or an exceptional performance from an average effort the answer is often explained in one word execution around the world the word execution has broad meaning encompassing every action people undertake the problem is nobody has explained what behaviors when actually executing help maximize success until now we were left to the school of hard knocks to figure out how to execute well mr walton brings a unique insight to improving individual results by identifying a set of simple innate behaviors that if developed will increase ones ability to execute in every situation the reader will learn to define execution in a new way and learn how simple behaviors performed consistently and well result in greater success

outlines a proven formula for achieving goals explaining how individuals and organizations can hone four execution based skills in areas of focus documentation and accountability

the four disciplines of execution is about a simple proven formula for reaching the goals you want to reach as a business or individual in covey s experience the thing that most undermines the ability to execute goals is what he calls the whirlwind those urgent tasks that must be done simply to keep an organization alive as covey shows the only way to execute new important goals is to separate those goals from the whirlwind the four disciplines allow leaders to create a strategy that requires a change in behaviour since only by ensuring that everyone on the team understands the goal knows what to do to reach it and knows whether progress is being made

will a leader produce consistent breakthrough results while sustaining the urgent work of the whirlwind the four disciplines of execution are 1 focus on the wildly important 2 act on the lead measures 3 keep a compelling scoreboard 4 create a cadence of accountability for more than a decade franklin covey has been studying what it takes to achieve important goals and in this book they share success stories from a wide range of companies that have implemented the four disciplines to result in greater profits increased market share and improved customer satisfaction this way of thinking is essential to any company that wants to not only weather but thrive in this economy

respected thought leader covey from the franklin covey organization lays out an unprecedented plan for goal realization with a simple proven formula for achieving goals

do you remember the last major initiative you watched die in your organization did it go down with a loud crash or was it slowly and quietly suffocated by other competing priorities by the time it finally disappeared it's likely no one even noticed what happened the whirlwind of urgent activity required to keep things running day to day devoured all the time and energy you needed to invest in executing your strategy for tomorrow the 4 disciplines of execution can change all that forever the 4 disciplines of execution 4dx is a simple repeatable and proven formula for executing on your most important strategic priorities in the midst of the whirlwind by following the 4 disciplines focusing on the wildly important acting on lead measures keeping a compelling scoreboard and creating a cadence of accountability leaders can produce breakthrough results even when executing the strategy requires a significant change in behavior from their teams 4dx is not theory it is a proven set of practices that have been tested and refined by hundreds of organizations and thousands of teams over many years when a company or an individual adheres to these disciplines they achieve superb results regardless of the goal 4dx represents a new way of thinking and working that is essential to thriving in today's competitive climate simply put this is one book that no business leader can afford to miss

the wall street journal bestseller with more than 500 000 copies sold the 4 disciplines of execution revised and updated will radically change your business this fully revised edition teaches leaders how to create lasting organisational change do you remember the last major initiative you watched die in your organisation did it go down with a loud crash or was it slowly

and quietly suffocated by other competing priorities by the time it finally disappeared it's quite likely no one even noticed almost every company struggles with making change happen the 4 disciplines of execution revised and updated is meant to help you reach the goals you've always dreamed of with a simple repeatable and proven formula in this updated edition of the business bestseller that every leader should read Clayton Christensen professor at Harvard Business School and author of *The Innovator's Dilemma* you'll learn the 4 disciplines of execution and how to make them work for your organisation this proven set of practices have been tested and refined by hundreds of organisations and thousands of teams over many years when a company or an individual adheres to these principles they achieve superb results regardless of the goal these 4 disciplines of execution represent a new way to work and think that is essential to creating lasting organisational change and thriving in today's competitive climate it's the one book that no leader can afford to miss

the must read summary of Larry Bossidy and Ram Charan's book *Execution: The Discipline of Getting Things Done* this complete summary of the ideas from Larry Bossidy and Ram Charan's book *Execution* shows that the gap between what a company promises and the results it actually achieves is the biggest issue facing businesses this summary names and explains the key building blocks needed by a company for efficient and consistent execution thus effectively giving you the tools to improve execution in your own company added value of this summary save time understand key concepts expand your business knowledge to learn more read *Execution* and discover a corporate vision which is squarely grounded in reality

summary of the 4 disciplines of execution by Chris McChesney Sean Covey and Jim Huling includes analysis preview the 4 disciplines of execution is a guide for businesses to reliably commit to the goals and plans they set authored by associates from FranklinCovey a management consultancy rather than focusing on what a business must accomplish to be successful the four disciplines establish how to accomplish those things one reason commitments tend to be abandoned in business is that new projects and goals are less urgent than the day to day tasks of each individual employee which the authors call the whirlwind the key to commitment fulfillment is for new tasks to take up only a small portion of each employee's time but for that employee to be held accountable for completing them the first discipline is to

settle on one or two wildly important goals wigs these are the things that would have the most significant impact on progress toward the business s long term goals in the second discipline the wig please note this is key takeaways and analysis of the book and not the original book inside this instaread summary of the 4 disciplines of execution by chris mcchesney sean covey and jim huling includes analysis overview of the book important people key takeaways analysis of key takeaways about the author with instaread you can get the key takeaways summary and analysis of a book in 15 minutes we read every chapter identify the key takeaways and analyze them for your convenience visit our website at instaread co

summary of the 4 disciplines of execution who is this summary for the 4 disciplines of execution by chris mcchesney is an excellent guide to removing the distractions of the day to day tasks in your day job and being able to focus on wildly important goals and execute these excellently mcchesney produces a straightforward and actionable step by step guide that could transform the way you and your team work great for anyone looking for a little bit of guidance in the workplace and particularly useful for anyone in a leadership position chris mcchesney began his career working with stephen r covey within the franklin covey organisation mcchesney has dedicated his work to helping organisations achieve the results they are after by improving their execution his book the 4 disciplines of execution has been hugely successful and was a wall street journal 1 national best seller mcchesney has become well known for his high energy keynote speeches and presentations mcchesney lives with his wife and has seven children as the title suggests mcchesney outlines what he considers to be the 4 most important disciplines for executing tasks and hitting goals this summary will cover each of the 4 disciplines and discuss how they can be enacted the first discipline we will cover is focusing on the wildly important discipline two covers acting on the lead measures followed by discipline three keeping a compelling scoreboard finally we ll cover discipline four creating a cadence of accountability the real enemy of execution is your day job we call it the whirlwind it s the massive amount of energy that s necessary just to keep your operation going on a day to day basis and ironically it s also the thing that makes it so hard to execute anything new the whirlwind robs from you the focus required to move your team forward chris mcchesney sean covey and jim huling authors of the 4 disciplines of execution are definitely on to something when they pinpoint the whirlwind as the main detractor of execution success and they spend

the entirety of their excellent book detailing just how to avoid the trap of the daily grind achieving your wildly important goals through mindful execution is key their combined business experience is impressive all leaders at franklin covey with decades of business know how these guys completed more than fifteen hundred implementations of the 4 disciplines 4dx before they were ready to write this book and they have created a set of tools that can be useful for a single person small business or large international company it doesn't hurt that 4 disciplines is a #1 business bestseller recommended by the wall street journal or that the book leads with pages of endorsements by the likes of author stephen r covey and ceos of companies like kroger wegmans and the campbell soup company and even nobel peace prize winner mohammed yunus this is an impressive book years in the making what i particularly liked about this book is that it is about taking action on your strategic goals not developing more theory there are four clear roadmaps to help you overcome the whirlwind of the day to day work that keeps leaders and teams from executing the programs that drive real change the four disciplines are focus on the wildly important act on the lead measures keep a compelling scoreboard create a cadence of accountability so how do you begin to create the mindset that will help you take action on the four here is a preview of what you will get a full book summary an analysis fun quizzes quiz answers etc get a copy of this summary and learn about the book
