inspiration is the initial spark that puts us on track towards our beliefs attitudes and actions it partly defines who we are and whom we will become but what are the sources of our inspirations what governs them how do they take shape in our lives and how are our lives shaped by them can they be right and wrong and do we have the power to control them this

book provides an analysis of the historical geographical and cultural aspects of those countless moments that ignite our passions guide our efforts or cause the lack of both through the study of human inspirations the author elaborates a variety of issues including current societal political and global challenges spirituality human character individualism education as well as the contrast between what used to be the political east and west communism and capitalism the book offers an intriguing look at the inflation of inspirations in our rapidly changing societies and its global implications it fuses numerous fields to offer a refined view of the world and ourselves in it do advanced societies consist of advanced individuals or is it time to reassess our values redefine our principles and seek inspirations that dare to question the status quo and introduce us to a category of dignity that moves us closer to a truly advanced world

pocas cosas son más gratificantes para un educador que ver a los estudiantes absortos en sus proyectos ajenos al paso del tiempo deseosos de responder incluso fuera de las aulas y del horario escolar las preguntas surgidas en clase esta situación no tiene por qué ser un mero episodio afortunado pero fortuito en la vida de profesores y alumnos para santiago rincón gallardo esa forma de aprender contiene los elementos para transformar de raíz la relación pedagógica y así producir profundos cambios en la sociedad el libro que el lector tiene frente a sí desmenuza varios ejemplos de audaces apuestas que en diversas partes del mundo y en diferentes escalas han puesto el aprendizaje en el centro de la actividad escolar y que con esta nueva perspectiva han funcionado como verdaderos movimientos sociales tras una original revisión del sitio que se le ha dado al acto de aprender en algunas de las doctrinas educativas más progresistas el autor explora el futuro del aprendizaje liberador e invita a profesores directivos líderes y funcionarios del medio educativo a ocupar tres ámbitos el pedagógico el social y el político para hacer realidad un cambio cultural y entre todos liberar el aprendizaje

the reflexivity of pain and privilege offers a fresh and critical perspective to people of indigenous and or marginalized identifications it highlights the research shared experiences and personal stories and the artistic collections of those who are of mixed heritage and or

identity as well as the perspectives of young adolescents who identify as being of mixed racial socio economic linguistic and ethno cultural backgrounds and experiences these auto ethnographic collections serve as an impetus for the untold stories of millions of marginalized people who may find solace here and in the stories of others who are of mixed identity

the way you parent the clothes you buy your relationships with your boss and your daughter your attitude to money and sex are to an extraordinary extent defined by the era into which you were born parents the church teachers and employers think they understand youngsters because they too were young once but adults no longer live in the world that existed when they were teenagers we may occupy the same space home classroom or office but we live in different worlds and these worlds often collide we've moved in one century from a built to last to a throwaway society no wonder age differences are so vast in this book you will discover your generation and those of the people who make up your life once you understand what makes them and you tick the gen gap begins to shrink fasten your seatbelt for a generational roller coaster ride you may never think the same way again in this book you'll understand why your boss insists on endless meetings and conferences your 20 something student doesn't want a 50 something computer teacher you're in your 40s but still trying to prove yourself to mom and dad your teacher should be learning from you
