since its publication in 1960 william l shirer s monumental study of hitler s german empire has been widely acclaimed as the definitive record of this century s blackest hours the rise and fall of the third reich offers an unparalleled and thrillingly told examination of how adolf hitler nearly succeeded in conquering the world with millions of copies in print around the globe it has attained the status of a vital and enduring classic

victor klemperer was professor of french literature at dresden university as a jew he was removed from his post in 1935 only surviving thanks to his marriage to an aryan presenting a study of language and its engagement with history this book draws form klemperer s conviction that the language of the third reich helped to create its culture

the new york times bestselling conspiracy theorist offers startling new evidence that the nazis have been secretly planning a return to power in the united states

what would have been the outcome of world war ii if germany had succeeded in developing their vengeance weapons earlier in the war and had been able to mass produce them this novel provides the answer in an action packed story one that came uncomfortably close to actually occurring

the definitive account of hitler s rise to power and the collapse of civilization in nazi germany from the author of the third reich in power the third reich at war and hitler s people the clearest and most gripping account i ve read of german life before and during the rise of the nazis a s byatt times literary supplement impressive in its command of an immense literature perceptive in analysis fluent in style and humane in judgment this work could only have been produced by a master historian sir ian kershaw there is no story in twentieth century history more important to understand than hitler s rise to power and the collapse of civilization in nazi germany with the coming of the third reich richard j evans one of the world s most distinguished historians has written the definitive account for our time a masterful synthesis of a vast body of scholarly work integrated with important new research and interpretations evans s history restores drama and contingency to the rise to power of hitler and the nazis even as it shows how ready germany was by the early 1930s for such a takeover to occur the coming of the third reich is a masterwork of the historian s art and the book by which all others on the subject will be judged

this is the first ever analytical study of nazi germany s political foreign intelligence service office vi of the reichssicherheitshauptamt and its head walter schellenberg katrin paehler tells the story of schellenberg s career in policing and intelligence charts the development and activities of the service he eventually

headed and discusses his attempts to place it at the center of nazi foreign intelligence and foreign policy the book locates the service in its proper pedigree of the ss as well as in relation to its two main rivals the abwehr and the auswärtige amt it also considers the role nazi ideology played in the conceptualization and execution of foreign intelligence revealing how this ideological prism fractured and distorted office vi s view of the world the book is based on contemporary and postwar documents many recently declassified from archives in the united states germany and russia

the nuremberg trials were a series of military tribunals held after world war ii by the allied forces under international law and the laws of war the trials were most notable for the prosecution of prominent members of the political military judicial and economic leadership of nazi germany who planned carried out or otherwise participated in the holocaust and other war crimes the trials were held in nuremberg germany x000d this volume contains trial proceedings from preliminary hearing held on 14 november 1945 until 30 november 1945

comedian robin williams said that if you remember the 60s you weren t there this encyclopedia documents the people places movements and culture of that memorable decade for those who lived it and those who came after encyclopedia of the sixties a decade of culture and counterculture surveys the 1960s from january 1960 to december 1969 nearly 500 entries cover everything from the british television cult classic the avengers to the vietnam war and the civil rights movement the two volume work also includes biographies of artists architects authors statesmen military leaders and cinematic stars concentrating on what each individual accomplished during the 1960s with brief postscripts of their lives beyond the period there was much more to the sixties than flower power and lsd and the entries in this encyclopedia were compiled with an eye to providing a balanced view of the decade thus unlike works that emphasize only the radical and revolutionary aspects of the period to the exclusion of everything else these volumes include the political and cultural right taking a more academic than nostalgic approach and helping to fill a gap in the popular understanding of the era

a brilliant and indispensable one volume history of the third reich from a leading historian in it michael burleigh sets nazi germany in a european context showing how the third reich s abandonment of liberal democracy decency and tolerance was widespread in the europe of the period he shows how a radical pseudo religious movement led by an oddity with dazzling demagogic talents seemed to offer salvation to a german exhausted by war depression and galloping inflation it was the politics of faith and burleigh shows the consequences of the demise of the rule of law in favour of state authorised terror and brutality the underlying premise of the book is that unlike other current accounts of the germany of this period there are good and bad individuals not good and bad nations it recreates the complexities of life under a totalitarian dictatorship which for four years ruled most of europe and rejects the notion that the germans were either uniquely evil or uniquely uncivilised it is a tour de force and a book which is destined to be the standard work for many years to come

this is an authoritative history of the twelve years of the third reich from its political takeover of january 30 1939 to the german capitulation in may 1945

the first reich charlemagne king of the franks is declared ruler of the holy roman empire this empire dominates western europe from 800 until 1806 when it is defeated by napoleon the second reich all of germany is united behind prussia under the leadership of otto von bismarck victor of the franco prussian war only germany s defeat in world war i can break the power of the second german empire what was the third reich in 1933 adolf hitler was appointed chancellor of germany after convincing other members of the reichstag that the nazi party was better for the country than their feared rivals the communists within the year the president of the german republic will be dead and hitler will declare himself supreme leader of germany but how did it happen the third reich adolf hitler nazi germany world war ii and the last german empire takes you on a guided tour of german history for the last thousand years you ll study the constitution of the weimar republic and the treaty of versailles and come to understand why hitler believed it was crucial to build a new nazi empire that was second to no one other nation in europe in terms of military development you ll learn how hitler used the rhetoric of racism and nationalism to transform himself from a democratically elected member of government into a dictator whose word was law most importantly you ll learn how those changes paved the way to world war ii and the atrocities of the holocaust
