zorba the buddha is the first comprehensive study of the life teachings and following of the

controversial indian guru known in his youth as bhagwan shree rajneesh and in his later years as osho 1931 1990 most americans today remember him only as the sex guru and the rolls royce guru who built a hugely successful but scandal ridden utopian community in central oregon during the 1980s yet osho was arguably the first truly global guru of the twentieth century creating a large transnational movement that traced a complex global circuit from post independence india of the 1960s to reagan s america of the 1980s and back to a developing new india in the 1990s the osho movement embodies some of the most important economic and spiritual currents of the past forty years emerging and adapting within an increasingly interconnected and conflicted late capitalist world order based on extensive ethnographic and archival research hugh urban has created a rich and powerful narrative that is a must read for anyone interested in religion and globalization

two completely different stories by the inimitable césar aira the little buddhist monk is a story of asian invention gone wild as a diminutive korean buddhist monk acts as a tour guide to an increasingly distraught french couple on a working vacation in the far east the proof brings us quickly back to the west where two punks plus a new recruit wannafuck is the opening line as the two punk lesbians accost the chubby and shy marcia on a quiet street in buenos aires take control of a local supermarket with dire consequences for the hostages these two aira works are as different as night and day nevertheless sex identity and modern day economics figure deeply in both of these fast paced edgy fictions

though freud never overtly refers to the mahabharata many of the sanskrit epic s themes are illuminated by freud s thought and conversely many incidents in the epic can be used to illustrate freud s theories in freud s mahabharata alf hiltebeitel offers what he calls a pointillist introduction to a new theory about the mahabharata based on freud

humour in the beginning presents a multidisciplinary collection of fourteen in depth case studies on the role of humour both benign and blasphemous elitist and ordinary orthodox and heterodox in early formative stages of christianity islam buddhism hinduism and late antique judaism its coherence is strengthened by four preceding theoretical essays many cross references and a conclusion thus the volume allows for a methodologically sound comparison and explanation of historical views on humour in the world s most important religions at first sight the foundational period of religions do not seem to offer much opportunities for humour a closer look on primary sources however reveals the ways in which people formulated answers to existing ideas on humour and laughter in moments of religious renewal main topics include the incongruous nature of the divine the role of anthropomorphism superior and didactic humour moderate laughter responses from dissenters and the gap between religious regulations and reality

eminently readable and extremely meaningful the contributors tackle essential questions about the relationship of art and life the book is also very timely offering a way to approach buddhism through unexpected channels lynn gumpert director grey art gallery new york university
