studies of the escalating tensions and competing claims in the south china sea overwhelmingly focus on china and its increasingly assertive approach while the position of the other claimants is overlooked this book focuses on the attitude of vietnam towards the south china sea dispute it examines the position from a historical perspective shows how vietnam s position is affected by its wish to maintain good relations with china

on a range of issues and outlines how vietnam has occasionally made overtures to both the united states and japan in order to bolster its position and considered the possibility so far resisted of taking china to formal arbitration under the auspices of the united nations convention on the law of the sea the book concludes by assessing the future prospects for vietnam s position in the dispute

un security council decisions impact billions of people and yet its formal rules are minimal and tell us little about how decisions are made instead informal and often unwritten practices form the basis of negotiations inside the un security council analyses informal practices within security council decision making both in general and focused on the case of darfur in the west of sudan to pull back the curtain on decision making security council negotiations on darfur are analyzed in depth across issue areas of agenda setting sanctions referral to the international criminal court and peacekeeping one way of understanding these informal practices is via the lens of legitimation this is a useful approach because it brings to the fore the ways in which states seek legitimacy for themselves and for security council decisions as part of the negotiation process inside the un security council introduces and develops the concept of legitimation practices to analyse the un security council s decision making legitimation practices shape the process and outcome of negotiations in two different ways internal legitimation practices which relate to the legitimation of security council decisions such as prioritizing unanimity constrain and enable the text of resolutions external legitimation practices such as doing something even when it is known that it cannot be implemented relate to the legitimation of actors in the negotiations and shape whether decisions can be reached at all foregrounding legitimation practices sheds light on seemingly contradictory moments within security council decision making such as the united states enabling the referral of the situation in darfur to the international criminal court

despite its longstanding objections to the court and the capacity to veto the decision the book draws on a wide range of primary and secondary sources including original interviews with key decision makers to show that legitimization practices are an integral aspect of security council negotiations
