this second volume of starr s cultural history of the golden state focuses on the turn of the century years and the emergence of southern california as a regional culture in its own right

examines the elements whose confluence defined southern california including spanish mexican influences climate and the rise of hollywood in 1880 californians believed a woman safeguarded the republic by maintaining a morally sound home scarcely forty years later women in the state won full fledged citizenship and voting rights by stepping outside the home to engage in robust activism gayle gullett reveals how this enormous transformation came about and the ways women s search for a larger public life led to a flourishing women s movement in california though voters rejected women s radical demand for citizenship in 1896 women rebuilt the movement in the early years of the twentieth century and forged critical bonds between activist women and the men involved in the urban good government movement this alliance formed the basis of progressivism with male progressives helping to legitimize women s new public work by supporting their civic campaigns appointing women to public office and placing a suffrage referendum before the male electorate in 1911 placing local developments in a national context becoming citizens illuminates the links between women s reform movements and progressivism in the american west

kevin starr s california dream series has evolved into something much richer and more significant than starr could reasonably have expected when he began the atlantic the set includes americans and the california dream inventing the dream material dreams endangered dreams and the dream endures

teach yourself to dream the practical companion to chronicle books best selling secret language of dreams is a beautifully illustrated hands on guide to remembering and understanding dreams dr david fontana renowned for his dream workshops presents more than fifty exercises that enable earnest dreamers to explore intensify and even guide their night wanderings with more than 150 images that evoke the surreal quality of dream visions and a brief a to z directory of dream symbols and their meanings teach yourself to dream is a unique new tool for anyone interested in utilizing the life changing power of dreams

what constitutes a creative person is it someone who can perform many tasks innovatively is it someone who exhibits creative genius in one area is it someone who utilizes her creativity for good and moral causes is it someone who uses his creativity to help his company or country succeed different cultures have different perspectives on what it means to be creative yet it is nearly always the american or western perspective that is represented in the psychological literature the goal of the international handbook of creativity is to present a truly international and diverse set of perspectives on the psychology of human creativity distinguished scholars from around the world have written chapters for this book about the history and current state of creativity research and theory in their respective parts of the world the 2006 book presents a wide array of international perspectives and research

a dream is not just white noise or something that happens to you while you sleep dreams are the secret language of your unconscious this book will teach you how to unlock the secrets of your personal dream language explore and interpret the meaning of your dreams harness the power of the brain to uncover a life of greater richness and meaning cohen has developed a seven step process recall and record title your dream read or repeat aloud consider what is uppermost in your life right now describe your dream s objects and qualities as if you were talking to a martian summarize the message from the unconscious consider the dream s guidance for waking life drawing on years of clinical experience and her familiarity with freud jung myth and sacred writings cohen presents a program that results in a life of abundance texture and self awareness
