this book reveals the secrets to service success by analyzing four service companies that grew from small beginnings to the leaders in their industries interviews with the four ceos who guided the companies to their success reveal the three basic principles they all share the ceos interviewed are thomas berglund of securitas and j philip sorensen of group4falck the world's two largest security companies francis mackay of compass plc and pierre bellon of sodexo alliance the world's two largest

food service companies

prison nation is a distant dispatch from a foreign and forbidden place the world of america s prisons written by prisoners social critics and luminaries of investigative reporting prison nation testifies to the current state of america s prisoners living conditions and political concerns these concerns are not normally the concerns of most americans but they should be from substandard medical care the inadequacy of resources for public defenders to the death penalty the issues covered in this volume grow more urgent every day articles by outstanding writers such as mumia abu jamal noam chomsky mark dow judy green tracy huling and christian parenti chronicle the injustices of prison privatization class and race in the justice system our quixotic drug war the rarely discussed prison aids crisis and a judicial system that rewards mostly those with significant resources or the desire to name names correctional facilities have become a profitable growth industry for companies like wackenhut that run them and companies like boeing that use cheap prison labor with fascinating narratives shocking tales and small stories of hope prison nation paints a picture of a world many americans know little or nothing about

a comprehensive new model for creating inclusive organizations illuminating the vital role that inclusion plays in developing solutions to the critical social environmental and leadership challenges we face most organizational de i efforts are focused on changing individual behaviors but unless you change the organizational structures the practices processes and systems that surround and support individual behaviors your change efforts will not take root structural inclusion makes behavioral inclusion stick andrs tapia and fayruz kirtzman have found that five disciplines encompass the structures mindsets behaviors and accountabilities required for creating inclusive organizations that will have transformational impact not only on their culture and people but also on society and the planet 1 manage the risk know how to deal with the legal reputational and cultural risks of either doing the wrong thing or not doing the right thing 2 explode the awareness make sure leaders and employees are deeply informed about and publicly committed to the value of de i 3 maximize the talent systems ensure that leaders and managers display inclusive behaviors when they manage and optimize talent 4 master the logistics integrate de i into operations in ways that lead to improved efficiencies 5 see the marketplace expand to new consumer market segments enhance cross culturally competent customer service and form effective partnerships with overlooked communities the authors provide assessment tools and case studies of organizations that have implemented each discipline highlighting what

worked and what tripped them up and they take a wider view showing how inclusive organizations practicing the five disciplines can address what they call society's four vital tasks diversify leadership eradicate polarization achieve justice and save the planet this is a complete guide to how to make your organization a systematic process oriented engineer of change for the full range of your stakeholders

an in depth and impressive account of montgomery county maryland's illustrious history from its 1776 birth as a leader in the battle for freedom to its emergence as a technological and economic force in the shadow of the nation's capitol

pierre bellon the founder of sodexo is the embodiment of one of france's finest entrepreneurial successes at 89 years of age he has agreed for the first time to relate the story of his battles and his convictions his words are worth heeding because they are original revolutionary and the antithesis of those we usually hear from major business leaders with companies in the cac 40 this book is addressed to all those who think like him that history is never written in advance and that the best way of advancing or progressing is through enterprise pierre bellon shares with us his vision of the company speaks about his *raison d'être* his values and his principles of management he excoriates technocracy he denounces the deviancies and excesses of capitalism he makes the case for the intra entrepreneur before you can grow you have to begin small that's my philosophy in a nutshell it's a long road to success
