effective management of long term care facilities fourth edition examines

the complex operations of the long term care facility and offers critical skills to current and future long term care administrators for delivering quality cost effective services an excellent resource for both new and seasoned long term care managers this logically organized text begins with an understanding of what long term care is and why it s an integral part of the health care delivery system it moves on to explore the legal and regulatory parameters and payment constraints within which long term care facilities must be managed each of the main functional departments that administrators must understand and oversee and effective governance and leadership and management of human resources marketing and quality much of which is unique to nursing home administration the final section of the book offers case studies to simulate situations that the administrator is likely to encounter in practice

with research showing that clients from diverse racial and ethnic groups disproportionately experience barriers in their interactions with social services and that providers recognize the need to be better prepared to work with these groups this book invites us to rethink current approaches to social work practice with multicultural communities we begin with a synthesis of the current evidence on the provision of care to multicultural communities that provides an in depth look at both client and provider experiences the following chapters offer tangible research based approaches to engaging with multicultural clients and reveal often unrecognized problems with current models of social work practice a unique compilation of rigorous qualitative experimental and community based studies demonstrate the effectiveness of culturally grounded interventions and identify the specific factors associated with positive outcomes areas covered include disability marriage and couple relationship problems domestic violence and mental illness within latinx african american first nations and south asian communities as the authors in this book show the stories of multicultural communities are narratives of unprecedented resourcefulness and reinvention yet social work underutilizes rich family and community cultural resources by not facilitating their involvement social service systems compromise these vital resources which social services cannot replace in arguing that we need to expand professional boundaries to encompass indigenous practices family and extended kin and therapeutic relationships that make sense to different cultural groups this book will be of interest to those studying the ways in which social work practice can be improved to better suit the needs of a racially and ethnically diverse population this book was originally published as a special issue of the journal of ethnic cultural diversity in social work

long term care quality and pleasant resident mealtime workbook this workbook focus on helping facilities make certain that leadership and staff

keep the focus on quality and also on residents meeting their nutritional status and needs as well as having a pleasant mealtime experience in the nursing home the author highlights the primary department leaders with the primary roles and responsibilities to achieve this goal for the residents the leaders and department heads with the key responsibilities for this care area are the administrators the directors of nursing the dietitians the food service directors managers the nurse managers nursing supervisors charge nurses and certified nursing assistants certified nurse aides the qapi director coordinator the author makes it easy for you to find your regulations f tags that relate to your work care area out of the voluminous regulations she gives you the f tags regulations by department and area of responsibility so turn the pages to your job responsibility and you will find the f tags that relate to you the workbook also gives you self reflection questions for you to assess your skills set practical tips for your job responsibilities case studies exercises to do remarks the author s insight and advise for additional focus the workbook is an excellent resource to help you make a difference in the lives of the residents while providing quality of care quality of life and pleasant mealtime experience and at the same time reducing some of the challenges in your facilities
