april 2016 march and april was amazingly full of exciting events i know you don t want me to explain it all here for those who just become a member of hospitality network welcome and for the seniors please share your knowledge to our young generation you may join us in our linkedin network with nearly 30 000 plus our linkedin group with around 2000 active members our linkedin company page with 3400 followers facebook group with more than 42 000 members twitter with nearly 8000 followers

and many more lets share jobs news and opportunities for the young hotelier indonesia there is nothing too small or too big every information s is valuable with great screening all info that send to us will spready fast and targeted well let s go to the next step together it will be easier as usual we have events reports articles and galleries enjoy reading more to come

there is today a pronounced and accelerated convergence in architecture this convergence is occurring by doers not thinkers in practice not academia in building design fabrication and construction it is about solution centric individuals engaged in real time problem solving not in abstractions the nature of this convergence where things are converging and what that means for architecture is the subject of this book from the introduction those working in architecture and engineering feel pressure to work faster at lower cost while maintaining a high level of innovation and quality at the same time emergent tools and processes make this possible convergence is about the firms teams and people who thrive in this environment as a result of their ability to creatively combine and innovate it seeks to answer several timely questions what are the tools and work processes that are converging how are individuals and organizations converging their tools and work processes what challenges and benefits are they seeing what is the ultimate endgame of this convergence what skillsets and mindsets would someone need to develop to work effectively in this changing environment what are the implications of convergence on the role of the designer and on design on how we design build fabricate and construct on how we work the book explains how convergence relates to but ultimately differs from integration consolidation multi tasking automation and other forms of optimization the practice based research builds upon the author s research in bim and in the collaborative leveraging of data in design and fabrication as an investigation and meditation on the impact of technology on the education and making of design professionals convergence explains what is happening in the world of design and discusses the implications for the future of education training and practice

the faculty of economics and business bengkulu university unib provinsi bengkulu indonesia organized the 3rd beehive international social innovation conference basic 2020 on 3rd 4th oct 2020 in bengkulu indonesia the number of participants who joined the zoom room was recorded at 450 participants participants came from 4 countries namely indonesia malaysia philippines thailand basic 2020 is implemented with the support of a stable internet network system and a zoom application in the implementation there

were several technical obstacles encountered by the participants namely the difficulty of joining the zoom application due to the unstable internet signal the holding of a virtual conference felt less meaningful due to the lack of interaction between speakers and participants the biced 2020 committee 30 papers were presented and discussed the papers were authored by researchers from thailand malaysia philippines and indonesian all papers have been scrutinized by a panel of reviewers who provide critical comments and corrections and thereafter contributed to the improvement of the quality of the papers

subverting celebrated classics of poetry and mythology and examining horrors from contemporary film and cultural fact national book award winner justin phillip reed engages darkness as an aesthetic to conjure the revenant animus that lurks beneath the exploited civilities of marginalized people in these poems reed finds agency in the other than human identities assigned to those assaulted by savageries of the state in doing so he summons a retaliatory counterviolent black spirit to revolt and to inhabit the revolting

gong dong and vector architects are in the vanguard of a new generation of chinese architects who are revealing extraordinary approaches to building and design that marry tradition with an ever more thrilling modernism gong dong s architecture evocatively combines features of the modern with lessons learned from china s old culture of craftsmanship while giving utmost attention to the experiential qualities of design beyond great facility the firm is celebrated for exploring the possibilities of sustainability and eco sensitive construction recently featured in the exhibition reuse renew recycle recent architecture from china at new york s moma dong s work was singled out for the alila yangshio hotel a readaptation of an old industrial site and former sugar factory near the chinese city of guilin known for its dramatic landscape of precipitous limestone karst hills the hotel embraces the extraordinary site with pools that reflect the stunning surrounds while also offering great comfort and ease to guests the book presents the firm s most breathtaking work from its celebrated seashore chapel which suggests a marriage of the cerebral power of le corbusier and the refined magic of tadao ando while making a serene and unique statement of its own to the magical captain s house a renovation of a modernist dwelling set atop a cliff overlooking a fishing village and the sea this elegantly illustrated and beautifully designed book is the first in english to comprehensively document this exceptionally high quality quietly rich and

greatly rewarding architecture

public parks in the u s are one of the most contentious and paradoxical places many americans believe public parks are encapsulations of nature promoters of health and embodiments of egalitarianism and democracy providing a wide range of health economic cultural and social benefits to users yet the historical reality of american public parks has been riddled with greed hypocrisy prejudice and ulterior motives of the rich and powerful numerous people have been displaced exploited and even killed because of public parks drawing from multiple disciplines such as sociology history geography urban planning environmental science and leisure studies violent and verdant systemic injustice in public parks in the u s takes a two pronged approach to provide critical and fresh insights on public parks in the u s it looks back illuminating how parks have been sites of enduring violence and oppression but it also looks forward offering practical strategies and philosophical reimaginations of parks conception development and management
