after 15 years of living elsewhere under an assumed name one he has made famous by becoming a successful writer frank bly aka stephen longworth returns to the town where an attempt was made on his life and from which he escaped leaving no clues behind he confronts several people who have thought him dead he thinks one of them is the person who tried to kill him before he finds the truth there is more murder attempted murder and a suicide

a startling achievement i cannot overemphasize how original and groundbreaking this work is or recommend this book too highly the argument throughout is clear succinct and rigorous it represents the highest standards of analytical philosophy all future work if it is to be up to speed will have to deal with what menssen and sullivan have done

melinda a roberts and david t wasserman 1 purpose of this collection what are our obligations with respect to persons who have not yet and may not ever come into existence few of us believe that we can wrong those whom we leave out of existence altogether that is merely possible persons we may think as well that the directive to be fruitful and multiply and replenish the earth 1 does not hold up to close scrutiny how can it be wrong to decline to bring ever more people into existence at the same time we think we are clearly obligated to treat future persons persons who don't yet but will exist in accordance with certain stringent standards bringing a person into an existence that is truly awful not worth having can be wrong and so can bringing a person into an existence that is worth having when we had the alternative of bringing that same person into an existence that is substantially better we may think as well that our obligations with respect to future persons are triggered well before the point at which those persons commence their existence we think it would be wrong for example to choose today to turn the earth of the future into a miserable place even if the victims of that choice do not yet exist

examines the myriad of questions that arise when confronting the meaning of mortality challenging many widely held views about death and inviting readers to take a fresh look at the fact that they will die

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea
