i love reading bonus scenes or watching bonus clips on television if someone told me i could read about or watch mr darcy and elizabeth bennet get married i would be beyond excited imagination is great but there are times when i don t want to imagine or guess i want to know i even want to know when storylines change and what might have been that s why i m providing bonus scenes and extras from several of the a family affair books i loved writing these scenes and now i want to share them with you enjoy nate christine s wedding a family affair wouldn t you like to know what nate desantro was thinking right before he married christine for a man of few words there was a lot going on in his head and how about discovering harry blacksworth s thoughts as he prepares to give christine away that s definitely one you won t want to miss lily is still one of my favorites and she ll warm your heart with her innocent and yet spot on observations about the wedding life and love in magdalena always a heartbeat away a family affair summer i started a family affair summer several times as i tried to get a feel for tess and her backstory i knew it would involve heartache just as i knew that deep down she still loved cash but the rest i wanted to find a way to take her as far from the life she thought she d have as possible initially that involved a calm quiet man and a dog named henry that storyline changed and i decided not to use it but it s a great bonus scene to let you see the possibilities maybe even wonder how the story might have been different who is sasha rishkov a family affair the secret what if angie sorrento s father turns up in magdalena to visit his daughter and risks running into the only woman he s ever loved angie s mother the one she thought died years ago he ll come so close to discovering the truth the future godfather a family affair the wish this is a conversation you won t want to miss pop tells harry that when the time comes harry will be the new godfather of magdalena and he ll make a darn good one of course harry doesn t agree when harry meets stephanie a family affair the gift harry blacksworth is nobody s fool and while he might once have been the playboy good for nothing younger brother of charles he s come into his own as a well respected and generous member of magdalena s community when cash and tess hit a roadblock named stephanie richmond harry s not going to let anything jeopardize their happiness don t miss when harry meets stephanie and read firsthand how he deals with the woman who thinks she can leverage a child to gain security the real stephanie richmond a family affair the gift and because first drafts and ideas change i m including a scene i once considered using for the storyline in this version stephanie isn t as soft and guileless as she appears in the final version of the book but straightforward and intent on letting cash know exactly what she wants while i like the final outcome this is still an interesting read and portrays stephanie richmond s true personality who s in the cabin a family affair the cabin nate and christine desantro head to the cabin one last time before they sell it and discover an uninvited guest elissa cerdi has snuck away to the blacksworths cabin for quiet and a chance to consider her future with or without a controlling ex boyfriend her innocent and trusting ways prevent her from seeing that she s put herself in danger by choosing a secluded cabin of course nate and christine aren t about to risk her safety even if she was gloria blacksworth s friend and confidante
