this collaborative commentary on or dictionary of kings explores cross cutting aspects of kings ranging from the analysis of its composition historically regarded to its transmission and reception ample attention is accorded sources figures and peoples

who play a part in the book the commentary deals with kings treatment in translation and role in later ancient literature while our comments do not proceed verse by verse the volume furnishes guidance from contributors highly qualified to advance contemporary discussion on the book s historical background its literary intentions and characteristics and on themes and motifs central to its understanding both of itself and of the world from which it arose this volume functions as a meta commentary offering windows into the secondary literature but assembling data more fully than is the case in individual commentaries

book of kings the emperor s notebook is the published notes ideals and ideologies of the author mr chris la cour throughout his 22 years of incarceration he has implemented a rigorous study regimen out of the 500 or so books that he has read his eyes were open to the world around him the notes in book of kings were the statements ideologies and thoughts that brought about the authors metamorphosis developing a hope that someday he could help others reach the same transformation he then goes on to give you an actual blueprint and strategies of how to convert your newly found knowledge into actual wealth and power within these notes you get the 48 laws of power art of war think grow rich in one small concise book written specifically for the common person most books of such an intellectual capacity will be written for those who can comprehend such capacities but mr la cour writes this for those in the urban community that have lost out on these kind of jewels because they were in books but his style makes these complicated concepts comprehensible to anyone he writes as if he is speaking to you on a street corner instead of lecturing you in a lecture hall

canon robinson suggests that the editors of 1 kings compiled their history to teach the hebrews that their existence as the covenant people of god depended on their continuing loyalty to their traditions

this book is an examination of characters in the books of kings showing how understanding and interpretation of key characters affects readings of the story the volume begins with more general pieces addressing how the study of characters can shed light on the composition history of kings and on how characters and characterization can be considered with respect to ethics particularly with respect to the moral complexity of biblical characters contributors then consider key characters within the kings narrative in depth such as nathan bathsheba solomon and jezebel the contributors use their own specific expertise to analyze these characters and more drawing on insights from literary theory and considering such approaches as questioning our view of a particular character with based on the character within the text with whom we identify contributors also assess whether or not characters as portrayed in the biblical text necessarily match up to their possible counterparts in history
