this book makes the argument that humankind was placed here on earth to multiply fill the world and take dominion over all of gods other creations a purpose driven life will necessarily align with these purposes a purpose driven life is one that is fulfilling gods purposes how well we do this is the primary reason why some people have become very successful while others have failed our spiritual side reflects our god connections and for the christian it begins when one is born again while our purposes and the things that drive us may need adjustment after we are born again they do not change significantly they all have one common denominator and that is

fulfilling our responsibilities as parents and doing that in obedience to god with this in mind it should not be difficult to answer the question what on earth am i doing here what drives our lives it is the need to provide for our children for adulthood comes with the obligation to find a life partner and begin multiplying and this is universal

new media including digital and social media play a central role in producing and reproducing socio cultural and religious practices its presence has not only resulted in changes to the ways in which religious beliefs are practiced but has also altered the way religious meanings are expressed how has new media technology informed and influenced religious engagement and participation in what ways has new media technology enabled religious groups to practice and preach their religious beliefs to a broader audience to what extent has the emergence of social media and social networking sites shaped religious discourses and religious practices this volume offers a unique africa centred perspective in response to these questions while presenting new scholarly developments in the fields of media religion and culture in africa this book also provides empirical and theoretical insights into the intersection between new media and religion
