there is or at least ought to be power in prayer the bible after all is filled with stories of people who prayed and saw amazing results Jesus our discipler besides praying often and with the clear expectation of results taught us to always pray and to never give up yet too many of us lack the power to pray consistently and effectively prayer is often a duty seldom performed instead of a living experience of connecting with heaven's power the bible's true statement faith without works is dead is also true when turned backward an absence of prayer in our life demonstrates the absence of faith in our heart faith in the actual effectiveness of prayer as the bible describes it if we pray God will act if we don't pray He won't the sole aim of power to pray is to increase this faith in all of us so that our Father who eagerly waits for us to pray can act on earth as in heaven the rest is up to you and the Holy Spirit my prayer is that the immense purposes of God will be accomplished through your simple prayers
