illustrated reetelling of 14 standard fairy tales

i have used this textbook for four courses on children s literature with enrollments of over ninety students it is without doubt the most well organized selection of literary fairy tales and critical commentaries currently available students love it
lita barrie california state university los angeles
this norton critical edition includes seven different tale types little red riding hood beauty and the beast snow white sleeping beauty cinderella bluebeard and tricksters these groupings include multicultural versions literary rescriptings and introductions and annotations by maria tatar tales by hans christian andersen and oscar wilde more than fifteen critical essays exploring the various aspects of fairy tales new to the second edition are interpretations by ernst bloch walter benjamin max lüthi lewis hyde jessica tiffin and hans jörg uther a revised and updated selected bibliography

twenty six classic fairy tales are supplemented by extensive literary cultural and historical commentary

the greatest fairy tales of all time the 100 tales collected here throw open wide the gates to the realm of fairyland inside are princes and princesses giants and dwarfs heroes heroines simpletons rogues wizards witches ogres trolls elves magical artefacts and all manner of talking birds and beasts as g k chesterton has observed fairyland is a place where happiness hangs upon a single thread cinderella may have a dress woven on supernatural looms and blazing with unearthly brilliance but she must be back when the clock strikes twelve the king may invite fairies to the christening but he must invite all the fairies or frightful results will

follow bluebeard's wife may open all doors but one a promise is broken to a cat and the whole world goes wrong a promise is broken to a yellow dwarf and the whole world goes wrong this is also a world of contradiction and disproportion where honesty may be a virtue but so is the ability to tell the most outrageous lies conceivable here the prize for treading on a cat's tail is a princess and the penalty for expressing gratitude to a goblin is a lifelong curse in compiling this anthology we have tried to include as many tale types as possible and as much of the varied landscape of the fairy world deserts icefields enchanted forests underwater kingdoms as we could fit in our principal sources are the great european collections of fairy tales and folk tales as compiled by jacob and wilhelm grimm peter asbjørnsen and jørgen møe hans christian andersen charles perrault joseph jacobs and alexander afanasyev but there are tales from further afield as well from asia africa and the middle east we have classified the tales thematically and spread them evenly across ten chapters 1 the classic characters heroes heroines and their foes 2 birds and beasts 3 little big 4 the ship of fools 5 quick minds and sharp wits 6 the royal court 7 into the world journeys quests and adventures 8 magic and witchcraft 9 extraordinary tales of extraordinary things 10 tales for winter we hope this structure will aid readers somewhat in their explorations at the same time we concur with w h auden who writes the way to read a fairy tale is to throw yourself in

for centuries fairy tales have been a powerful mode of passing cultural values onto our children and for many these stories delight and haunt us from cradle to grave but how have these stories become so powerful and why until now we have lacked a social history of the fairy tale to frame our understanding of the role it plays in our lives with the publication of *When Dreams Came True* jack zipes fills this gap and shifts his focus to the social and historical roots of the classical tales with coverage of the most significant writers and their works in europe and north america from the sixteenth century to the beginning of the twentieth century when dreams came true is another important contribution by the master of fairy tales from the french charles perrault to the american l frank baum and the german hermann hesse zipes explores the way in which particular authors used the genre of the fairy tale to articulate their personal desires political views and aesthetic preferences in their particular social context at the core of this magical tour through the history of the fairy tale is zipes desire to elucidate the role that the fairy tale has assumed in the civilizing process the way it imparts values norms and aesthetic taste to children and adults his journey takes us to the familiar and the exotic in the great classical tales by perrault the brothers grimm and hans christian andersen and in such fascinating works as *Pinocchio* *The Thousand and One Nights* *The Happy Prince* and *The Wonderful Wizard of Oz* throughout zipes reveals the historical dimensions of the tales and demonstrates their continuing relevance in our lives today

we all love the classic fairy tales but just how well do we remember them fairy tales passed down by word of mouth have captivated and entertained generations of children and their parents today reading these traditional tales aloud is still the best way to enjoy them and a great way to spend quality time with children the small format appeals to little hands and the beautifully designed cover is a welcome addition to any collection specially written and beautifully illustrated for this edition the tales in the fairy tale book remind parents of the details of all the classics including *Cinderella* *Thumbelina* *The Little Mermaid* *Jack and the Beanstalk* *Snow White* *The Princess and the Pea* *The Elves and the Shoemaker* and many more favourites

drawing on the popularity of fairy tale literature and its retellings this guide provides

insightful annotations to all the major picture books and novels for children and teens although popular fairy tales such as cinderella are familiar the broader genre of fairy tale literature is less well known this genre includes traditional fairy tales often compiled in book collections picture book retellings of single fairy tales fractured fairy tales and fairy tale inspired novels for both children and teens designed to help librarians teachers and reading partners feel more confident in selecting and suggesting fairy tale books for children and teens this comprehensive guide offers themes read alike reading levels awards and curricular tie ins for each book readers will learn about the distinguishing characteristics of fairy tales key authors contemporary and historical major trends and significant changes in the genre they will also discover the therapeutic power of fairy tales their empowering impact on children and teens and the reasons that fairy tales continue to attract young readers insightful and engaging annotations of each book will increase their knowledge of the riches of the genre

contains the earliest published text of these tales

this colorful collection contains twenty four favorite retold tales

a wonderful collection for sharing with the whole family this anthology gathers together the fairy tale s that have established themselves as enduring favourites ov er the years

award winning artist scott gustafson inspired by the golden age of illustration re tells and re imagines some of our best known fairy tales through his inimitable illustrations in classic fairy tales vol i the fixed layout ebook format retains the lavishly illustrated spreads from his classic fairy tales printed book over 190 000 copies sold these fabulously retold family favorites can be read aloud or enjoyed through the dramatic word for word narration by actress ann twomey with over 70 pages of masterful storytelling and magical full color paintings formatted for ease of use on your e reader device this ebook will quickly become a family favorite

an illustrated nursery rhyme and fairy tale collection features the classic tales that alex and conner fall into in the land of stories series

this long unavailable collection of charles perrault s classic fairy tales has been updated for a

modern readership and accompanied by the stunning illustrations of irish artist harry clarke although now best known for his stained glass work harry clarke 1889 1931 first found fame as a book illustrator his illustrations first appeared in print in 1916 and his talent was quickly acknowledged as he became recognised as one of the key illustrators during the golden age of gift book illustration the fairy tales were collected by 17th century french writer charles perrault and include such famous tales as cinderella little red riding hood sleeping beauty and puss in boots

23 tales popular and less well known old and modern reading time noted for each tale 5 yrs

once upon a time the forgotten female fabulists whose heroines flipped the fairy tale script people often associate fairy tales with disney films and with the male authors from whom disney often drew inspiration notably charles perrault the brothers grimm and hans christian andersen in these portrayals the princess is a passive compliant figure by contrast the lost princess shows that classic fairy tales such as cinderella rapunzel and beauty and the beast have a much richer more complex history than disney s saccharine depictions anne e duggan recovers the voices of women writers such as marie catherine d aulnoy marie jeanne l héritier and charlotte rose de la force who penned popular tales about ogre killing pregnant cross dressing dynamic heroines who saved the day this new history will appeal to anyone who wants to know more about the lost plucky heroines of historic fairy tales

a collection of traditional fairytales which includes classics such as beauty and the beast hansel and gretel the emperor s new clothes and many more
