about living comfortably in my own skin in ways that bring me closer to god free of the shame and baggage society often attaches to our bodies my approach is simple i practice nudism with intention guided by the holy spirit and i make sure to stay within boundaries that keep it respectful reverent and aligned with my faith in this book i ll be sharing a series of practical tips that have been helpful for me as a christian naturist these are real down to earth suggestions for integrating naturism into your life in a faith focused way always with scripture in mind and a commitment to honoring god from simple steps to help you get comfortable with your own body to tips on sharing this lifestyle with loved ones in a respectful way each chapter is a piece of encouragement from one believer to another one of my favorite tips i ll share is about creating a small sanctuary a space where you can be fully yourself free of any distractions for me that s my backyard garden early in the morning when it s just me and god s creation it s the quietest simplest moments like those that have really transformed my relationship with god and with myself that s the beauty of this practice when done thoughtfully and faithfully naturism can open doors to deep spiritual peace so wherever you are on this journey whether you re simply curious cautious or already exploring naturism in your own way i hope this book will be a source of encouragement and practical wisdom for you i m here to tell you that you re not alone that god s grace and love cover you entirely and that it s possible to live freely in faith with respect for both your body and his creation together let s rediscover a fresh way to walk in the confidence joy and simplicity that come from living in the truth of who we are fully known fully loved and fully accepted by him are you ready to take this journey with me
