western literature with clarity sweep and force and John Banville author of *The Sea* called this translation a masterpiece. The *Odyssey* is the original hero's journey, an epic voyage into the unknown and has inspired other creative work for millennia. With its consummately modern hero full of guile and wit, always prepared to reinvent himself in order to realize his heart's desire to return to his home and family after ten years of war, the *Odyssey* now speaks to us again across 2,600 years in words of great poetic power. This translation brings Odysseus and his adventures to life as never before. Stephen Mitchell's language keeps the diction close to spoken English yet its rhythms recreate the oceanic surge of the ancient Greek, full of imagination and light, beauty and humor. This *Odyssey* carries you along in a fast stream of action and imagery just as Mitchell re-energized the *Iliad* for a new generation. The *Sunday Telegraph* his *Odyssey* is the noblest, clearest and most captivating rendition of one of the defining masterpieces of western literature.
