 introductory level toward a higher level proficiency each of 10 sequential course sections  
 offers meaningful activities designed to motivate students and positively reinforce  
 successful communication through pair and group interaction negotiation of meaning and  
 the completion of real world tasks within an engaging thematic and cultural context

since the publication of the still very valuable biblioteca histórica de la filología by  
 cipriano muñoz y manzano conde de la viñaza madrid 1893 our knowledge of the history  
 of the study of the spanish language has grown considerably and most manuscript and  
 secondary sources had never been tapped before hans josef niederehe of the university of  
 trier courageously undertook the task to bring together any available bibliographical  
 information together with much more recent research findings scattered in libraries journals  
 and other places the resulting bibliografía cronológica de la lingüística la gramática y la  
 lexicografía del español desde los principios hasta el año 1600 bicres began appearing in  
 1994 bicres i covered the period from the early beginnings to 1600 followed by bicres ii  
 1601 1700 bicres iii 1701 1800 and together with miguel Ángel esparza torres of madrid  
 there followed bicres iv 1801 to 1860 now the fifth volume has become available covering  
 the years from 1861 to 1899 access to the bibliographical information of altogether 5 272  
 titles is facilitated by several detailed indexes such as a short title index a listing of printers  
 publishers and places of production and an author index more than twenty years of

research in the major libraries of Spain and other European countries have gone into this unique work. Relative sources of the Americas have also been covered, making it an exhaustive source for any serious scholar of any possible aspect of the Spanish language.
