in a world of shifting tides and global uncertainties a powerful sentiment echoes from coast to coast to coast a deep seated pride in being canadian this is more than just emotion it s a growing desire to actively participate in the prosperity and resilience of our homeland but how do we channel this patriotic energy into meaningful action how do we as individuals contribute to the strength and vibrancy of the nation we cherish this essential guide choose canada a guide to patriotic action answers that call it provides a clear roadmap for every canadian looking to translate their national pride into tangible support for our communities our economy and our shared future discover the profound impact of choosing canadian made products understand how every purchase supports our farmers workers and entrepreneurs keeping jobs within our borders and reinforcing the high standards of quality and safety that define us learn to navigate the marketplace with confidence decoding labels like product of canada and made in canada not just as text but as symbols of canadian ingenuity and labour uncover practical strategies for identifying and championing the small and medium sized businesses that form the very backbone of our local communities the neighbours and innovators who drive our economy but choosing canada extends beyond the checkout this guide inspires you to explore the breathtaking landscapes of our vast nation supporting local tourism and deepening your connection to the land it encourages engagement with our rich cultural tapestry the stories arts and media that capture the unique canadian spirit delve into our shared history and heritage understanding the foundations upon which our nation is built learn how supporting our athletes and understanding the measures that protect our borders are also integral parts of our national fabric this is your handbook for active patriotism it s a call to invest in ourselves to build a

stronger more self reliant canada and to proudly stand behind the maple leaf through conscious informed choices embrace the opportunity to make a difference answer the call choose canada

thoroughly revised and updated the fifth edition of the rough guide to canada covers this vast and geographically diverse country in impressive detail there are insightful accounts of every canadian city from vibrant montréal to laid back vancouver and vivid descriptions of canada s varied landscapes from the magnificent rocky mountains and the stormy coasts of the maritimes to the northern arctic reaches throughout there is practical advice on skiing whale watching kayaking hiking and a host of other outdoor pursuits thousands of listings recommend the best accommodation options restaurants bars and clubs in every price range

in recent years energy policy has been increasingly linked to concepts of sustainable development in this timely collection editor g bruce doern presents an overview of canadian energy policy gathering together the top canadian scholars in the field in an examination of the twenty year period broadly benchmarked by energy liberalization and free trade in the mid 1980s and by canada s ratification of the kyoto protocol in 2002 the contributors examine issues including electricity restructuring in the wake of the august 2003 blackout the implications of the bush administration s energy policies energy security northern pipelines and aboriginal energy issues provincial changes in energy policy and overall federal provincial changes in regulatory governance they also demonstrate that since per capita energy usage has actually increased in the past several years sustainable development remains very much a struggle rather than an achievement when the kyoto protocol and its requirements for reductions in greenhouse gas emissions are factored in the canadian record is especially dubious in basic energy terms canadian energy policy and the struggle for sustainable development is key to understanding many of the issues in canada s endeavour to live up to its energy related environmental responsibilities

recent canadian foreign policy has fixated upon canada s former status as a middle power within a small club of western democratic states the emergence of a us dominated world and of an integrated north american economy and the decline of multilateral rules and institutions as prime instruments of global governance have left canadian foreign policy searching for new purpose and direction from pride to influence brings canadian foreign policy into the twenty first century by grounding it in a conception of the national interest that accepts the primacy of the united states in guaranteeing canadian national security and prosperity it will appeal to the engaged public practitioners analysts and senior undergraduate and graduate classes focused on canadian foreign policy
