focusing on ordinary mexicans and americans peter guardino offers a clearer picture than we have ever had of the brief bloody war that redrew the map of north america he shows how dramatically u s forces underestimated mexicans patriotism fierce resistance and bitter resentment of american claims to national and racial superiority

from the franco spanish war in florida to the persian gulf war this chronological presentation includes alternate names significance background causes of the war preparations for war declaration of war combatants geographic and strategic considerations battles and campaigns home front international developments negotiations and peace treaty results of the war casualties costs consequences military innovations tactics equipment legends and trivia notable phrases songs historical perspectives and controversies civilian and military biographies further reading

this 2005 book explores the evolution of americans first way of war to show how war

waged against indian noncombatant population and agricultural resources became the method early americans employed and ultimately defined their military heritage the sanguinary story of the american conquest of the indian peoples east of the mississippi river helps demonstrate how early americans embraced warfare shaped by extravagant violence and focused on conquest grenier provides a major revision in understanding the place of warfare directed on noncombatants in the american military tradition and his conclusions are relevant to understand us special operations in the war on terror

leckie treats not the causes of our wars nor the controversies that have always attended them nor their results so often equivocal debatable or flatly disappointing but the manner in which they were fought their leadership their pages of glory and of shame allan nevins saturday review

a splendid little war that s how one contemporary observer described the spanish american war a war that is arguably one of the most important wars ever fought the duration was short and the victory decisive thus little and splendid the latter at least from the victor s point of view the impacts of the war however were anything but little in fact the aftermath of the spanish american war is still affecting global affairs today the dominant superpowers of 1898 watched as a new player on the international scene the united states shifted its ideology from isolationism to expansionism and emerged as a force to reckoned with a true superpower inside you will read about prelude to war first blood the pacific theatre the caribbean theatre war s end and much more explore the spanish american war the brief but pivotal conflict that marked america s rise as a global power from battles in cuba and the philippines to the treaty of paris this war reshaped nations perfect for history enthusiasts and students of american expansion get your copy today and uncover the story of this historic turning point

war organized violence against an enemy of the state seems part and parcel of the american journey indeed the united states was established by means of violence as ordinary citizens from new hampshire to georgia answered george washington s call to arms since then war has become a staple of american history counting the war for independence the united states has fought the armed forces of other nations at least twelve times averaging a major conflict every twenty years in so doing the objectives have been simple advance the cause of freedom protect u s interests and impose america s will upon a troubled world more often than not the results have been successful as america s military has accounted itself well yet the cost has been high in both blood and treasure americans have fought and died around the globe on land at sea and in the air without doubt their actions have shaped the world in which we live in this comprehensive collection terence t finn provides a set of narratives each concise and readable on the twelve major wars america has fought he explains what happened and why such places as saratoga and antietam manila bay and midway are important to an understanding of america s past readers will easily be able to brush up on their history and acquaint themselves with those individuals and events that have helped define the united states of america

american war stories breaks down the american perception of wars and focuses on how and why we conceptualize the war story it is one of the first studies to ask readers to contemplate what constitutes a war story and how that constitution obscures the normalizing of militarism in american culture

a decorated world war i veteran federal judge robert p patterson knew all too well the needs of soldiers on the battlefield he was thus dismayed by america s lack of military preparedness when a second great war engulfed europe in 1939 40 with the

international crisis worsening patterson even resumed military training as a forty nine yearold private before being named assistant secretary of war in july 1940 that appointment set the stage for patterson s central role in the country s massive mobilization and supply effort which helped the allies win world war ii in arming the nation for war a previously unpublished account long buried among the late author s papers and originally marked confidential patterson describes the vast challenges the united states faced as it had to equip in a desperately short time a fighting force capable of confronting a formidable enemy brimming with data and detail the book also abounds with deep insights into the myriad problems encountered on the domestic mobilization front including the sometimes divergent interests of wartime planners and industrial leaders along with the logistical difficulties of supplying far flung theaters of war with everything from ships planes and tanks to food and medicine determined to remind his contemporaries of how narrow the allied margin of victory was and that the war s lessons not be forgotten patterson clearly intended the manuscript which he wrote between 1945 and 47 when he was president truman s secretary of war to contribute to the postwar debates on the future of the military establishment that passage of the national security act of 1947 to which patterson was a key contributor answered many of his concerns may explain why he never published the book during his lifetime a unique document offering an insider s view of a watershed historical moment patterson s text is complemented by editor brian waddell s extensive introduction and notes in addition robert m morgenthau former manhattan district attorney and a protégé of patterson s for four years prior to the latter s death in a 1952 plane crash offers a heartfelt remembrance of a man the new york herald tribune called an example of the public spirited citizen

in this timely groundbreaking study the authors examine ten major wars fought by the united states from the revolutionary war to the ongoing iraq war and analyze the conflicts unintended consequences

this book provides information on every significant recorded conflict in american history from bunker hill to the bataan peninsula from antietam to afghanistan the book sheds light on the underlying causes of each conflict and offers insight and perspective on the conduct and historical impact of more than 100 armed struggles dust jacket

war the american way studies the common patterns in how america thinks of and conducts its wars after a general view of the morphology of war the book analyzes the recurring themes in most american wars from among others with the native americans the mexican war the civil war the spanish american war world wars i and ii vietnam iraq and afghanistan the recurring theme is how america seems capable of fighting only holy wars for universal principles of american democracy and recently aiming at nation building to make the world safe for democracy
