not so long ago being aggressively pro free speech was as closely associated with american political liberalism as being pro choice pro affirmative action or pro gun control with little notice this political dynamic has been shaken to the core the right s first amendment examines how conservatives came to adopt and co opt constitutional free speech rights in the 1960s free speech on

college campuses was seen as a guarantee for social agitators hippies and peaceniks today for many conservatives it represents instead a crucial shield that protects traditionalists from a perceived scourge of political correctness and liberal oversensitivity over a similar period free market conservatives have risen up to embrace a once unknown but now cherished liberty freedom of commercial expression what do these changes mean for the future of first amendment interpretation wayne batchis offers a fresh entry point into these issues by grounding his study in both political and legal scholarship surveying six decades of writings from the preeminent conservative publication national review alongside the evolving constitutional law and ideological predispositions of supreme court justices deciding these issues batchis asks the conservative political movement to answer to its judicial logic revealing how this keystone of our civic american beliefs now carries a much more complex and nuanced political identity

topics what this book is about its intended audience what the reader ought to know how the book is organized acknowledgements specifications express information about a program that is not normally part of the program and often cannot be expressed in a programming language in the past the word specification has sometimes been used to refer to somewhat vague documentation written in english but today it indicates a precise statement written in a machine processable language about the purpose and behavior of a program specifications are written in languages that are just as precise as programming languages but have additional capabilities that increase their power of expression the terminology formal specification is sometimes used to emphasize the modern meaning for us all specifications are formal the use of specifications as an integral part of a program opens up a whole new area of programming programming with specifications this book describes how to use specifications in the process of building programs debugging them and interfacing them with other programs it deals with a new trend in programming the evolution of specification languages from the current generation of programming languages and it describes new strategies and styles of programming that utilize specifications the trend is just beginning and the reader having finished this book will viii preface certainly see that there is much yet to be done and to be discovered about programming with specifications
