jeff rugg is a nationally syndicated lifestyle columnist for creators syndicate this is a collection of the very best of a greener view from january to june of 2014

this guide to soil design and specifications offers landscape architects and other designers the information they need to ensure the success of designs over the long term

what is cracking the code to profit cracking the code to profit is the complete start to finish blueprint for building a real business in the lawn care and landscaping industry the author ryan sciamanna shares all his knowledge on how he went from a solo operator to six crews in three years who is the book for cracking the code to profit is for anyone thinking about starting a lawn care business to companies trying to break through the 200k to 300k gross

revenue barrier if you would like to but are not already making 100k per year as the owner of your lawn care company you will benefit from reading this book why ryan wrote the book in 2016 ryan narrowed his lawn care companies service offering down to lawn mowing and lawn treatments only prior to that his company was a full service lawn and landscape service provider offering all of the typical services including mulching pruning cleanups leaf removals hardscapes landscape design and installation and snow removal he made the change in his business model to increase profit margins and reduce the amount of time required of him as the owner of the business naturally he needed to find referral partners for his lawn care customers because they still had other lawn and landscape needs his company no longer performed he contacted several other lawn and landscape business owners in his area and told them he wanted to send them referrals for the work his company no longer performed and only asked they don't steal his customers for the services they were still providing after shooting off the first several referrals ryan quickly realized that a lot of these companies needed help and until they improved their business operations referring his clients to them was only making him look bad he has since stopped referring work with the exception of a couple companies that proved they would provide his customers quality work at fair prices and actually be reliable ryan says i think most lawn care business owners started their business just like i did they enjoyed the work and were good at it so they said why not work for myself in the beginning it usually goes pretty smooth but as they add more and more customers and eventually need to hire employees they get in over their heads i did the same thing but quickly educated myself on how to run an actual business and not just be self employed he organized all of his knowledge into cracking the code to profit in hopes it will save new business owners years of frustration ryan read a similar book before he started his business that his father had bought for him online it was actually just a word document that someone had written on starting a lawn care business and his dad printed it off for him it cost his father 79.95 for that ryan still has that book and even though it was overpriced terrible quality and a lot of the information was not good he still credits that book towards helping him get his business off the ground what you can expect from cracking the code to profit how to start a lawn care business the book flows in chronological order from starting your business to your exit strategy ryan put every detail he could recall from his own experience you can see the book chapters in the book preview after each chapter action steps are included so you know exactly what you need to do at the end of the book you will find the resource section for continued learning and execution you can expect to have a much better understanding of how to start and grow your lawn care business is a healthy profitable way ryan's contact info is also included in the book he would love to hear from you after you finish it

garden professionals in all branches of the industry have developed many ways to do their work more quickly and easily they have shortcuts for laying sod getting rid of weeds and digging ditches they know better ways to make cuttings of perennial plants and to prune apple trees for better yields this book shares hundreds of these ideas with you professional

gardeners of every kind were surveyed to gather the very best tricks for gardening better quicker or easier the tips presented here cover planning landscapes caring for all types of garden plants lawn care plant propagation increasing vegetable crops everything you need to know to garden like the pros

this work covers a broad range of machinery types describing their function maintenance and use and including farm tractors and cultivation equipment fertilizer distributors drills and planters and sprayers as well as equipment for grass cutting and turf care glasshouse and nursery vegetable and fruit and estate management

garden and lawn care is a 20 billion a year business and ettinger offers the most comprehensive reference for the millions of gardeners out there seeds tools and personal gear 288 line drawings
